## \$220,000 Tax Warrants Issued

The financially troubled Antioch High School Board made further budget decisions at special board meetings held May 25th and 30th to the tune of more than \$200,000.

At the latter meeting the board voted to issue \$220,000 in tax anticipation warrants. \$160,000 is earmarked for the Education Fund, while \$60,000 will be put into the Building Fund.

School officials explained the warrants as being "only enough to pay current bills." The deficit in the Education Fund had been anticipated as high as \$250,000, but belt tightening and budget cutting lightened the load by more than 35%.

The building fund deficit was created due to increased overtime

and costs related to the Life Safety Program. The program is designed to protect against the possibility of a tragedy such as a school fire. Much of the deficit was realized due to overtime paid maintenance personnel to clean-up following construction.

The warrants, issued only two weeks prior to the school's third attempt to pass a referendum, bring the total indebtedness of the district to more than \$650,000.

At the May 25th session the board unanimously moved to hike the salaries of three administrators by \$1,000. Those receiving the raises are Arthur Blecke, Director of Student Affairs; Edward Kurek, Director of Student Services; and Jack Smith, Administrative Assistant for Business.

### Treatment Plant Addition Unaffected By Sub-County Plan

Preliminary plans for a sub-county sewer system will have "little effect" on the addition to the Antioch sewage treatment plant, according to Charles "Tod" Maplethorpe, Village Supt. of Public Works.

The plan, which would cover the northwest portion of Lake County in a four phase project, is expected to run \$6.5 million for the initial phase alone.

Robert J. Degen, Director of the Lake County Department of Public Works, said the system would eventually link up with the proposed county-wide sewer system. The first phase will be funded by a \$5.2 million

federal grant. Only \$1.3 million, or 25% of the cost would be realized by the county. He added that the money would come from the sale of revenue bonds and would not mean higher taxes.

Central hub of the sub-county system will be the Village of Fox Lake. While Mayor Joseph Armondo has indicated more than a casual interest in its operation, the system is expected to be under county control.

Antioch is scheduled for the third phase of the multi-year plan and is a large factor in Maplethorpe's reasoning. "We are almost at capacity now," he said. "The addition would increase the overall plant capacity to 12,500 persons."

Maplethorpe added that without the addition the village plant would not meet Environmental Protection Agency standards. "Without the addition they just might close us down. I would definitely say we have the go ahead."

### HIGH SCHOOL EYES TWO MORE P.U.D.'S

In addition to the many financial headaches facing the Antioch High School, reports filtering down indicate there is the possibility of two more P.U.D. type developments sprouting within the school's district borders.

According to newly elected board member Larry Fears, the developments would be a quadraminium and a single family project, both to be located near Lindenhurst.

Plans for both projects are sketchy, but informed sources see the quadraminium as containing over 500 units. The project may be made up of clusters of four buildings, each containing four units. The site is tentatively listed as the north side of Millburn Road, east of Beck Road.

The other development has been listed as predominantly single family residences. While no plans have been filed the project may contain as many as 1,000 units to be located northwest of Lindenhurst around Red Rock Lake.

Both plans were listed as premature and will undoubtedly be amended before they are introduced. High school officials said they had no idea what the impact on enrollment would be at this time, but noted they will watch the developments closely.

State Bank President, William Brook, delivers Memorial Day address before Antioch War Memorial on May 29th. In his speech Brook called for "Pride in self, town, and country, plus protest, but with a purpose." (Staff Photo)

## Senior Citizen Tax Relief Could Aid School Woes

On Monday, May 22, 1972, the Illinois Supreme Court approved a \$1,500.00 Homestead Exemption for persons 65 years and older on property taxes payable in 1973 and later the law required County Assessors to deduct \$1,500.00 from the Assessed Valuation of an elderly taxpayer's real estate tax base.

Further, real estate taxes paid in excess of 7% of the senior citizen's household income would be repaid to the taxpayer by a state grant up to a maximum rebate of \$300.00. However, the ceiling declines as household income rises, until anyone with a household income of \$10,000.00 or more would not be entitled to a grant.

The \$1,500.00 reduction of Assessed Valuation alone assures the elderly home owner a tax reduction of at least \$92.00 per year beginning in 1973. This savings is based on the \$6.160/\$100.00 Assessed Valuation Antioch Township Tax rate times the \$1,500.00 reduction in Assessed Valuation.

Officials at the Antioch Community High School have felt that this long overdue tax relief could have a favorable effect on their upcoming Education tax referendum on June 10, 1972.

According to Jack Smith, Administrative Assistant for Business, the exemption would allow senior citizens to pay the additional tax required if the referendum passes and still have the majority of their rebate left.

## Fire Guts Home

Fire struck and gutted the home of Lawrence Niewarner on Golf View Drive May 31st causing \$10,000 damage to the frame structure.

According to reports, the blaze began at 2:10 a.m. and was quickly extinguished by the Antioch Fire Department. However, there was extensive damage listed.

There were no injuries.

## ANTIOCH MENTAL

### HEALTH ASSOC. MEETS

A meeting was held Monday, May 22, of the Antioch Mental Health Association. Congratulations were given to this year's Cotillion co-chairman Angie Maras and Caroline Costoff for the record breaking success of this year's dance.

A fantastic \$2400 was raised for the benefit of Grove School. This success would not have been possible without the enthusiasm of many businessmen and friends who bought tickets and made donations to our cause. We sincerely thank everyone for their generous support.

The association voted to give an additional \$2600 out of the treasury making a total contribution of \$5000 to Grove School. The check is now on its way. This amount will be matched by Mr. W. Granger, a philanthropist and "friend" of the school.

Twenty-five home baked goodies were donated by association members May 20 to the Lambs Farm Fun Fair. On that Saturday, a Period

## Our Congressman

The U.S. Congress is expected soon to authorize a staggering \$18.5 billion for higher education during the next school year. This large sum is designed to fulfill the promise of making a college education available to every American youth who requires financial support while attending a college or university.

Individual grants up to \$1,400 annually would become available under the new program. In addition, low interest, direct loans of \$2,500 per year, and work-study programs would be continued for other needy students.

Among the most controversial provisions in the compromise bill are those which authorize subsidies to be paid directly to virtually all colleges. These will be based partly on total enrollments and partly on the number of college students who are receiving Federal grants. Other subsidy funds will flow to universities based upon the number of postgraduate students. Colleges and universities will be allocated an additional grant of \$300 for each veteran enrolled. Finally, the sum of \$40 million is authorized for those colleges which are found to be in the worst financial distress.

Two institutional changes are expected to receive approval: (a) a National Foundation to develop reforms in higher education, and (b) a National Institute of Education to handle research activities on college campuses.

Conferees of the House and Senate deliberated for more than a month on differing approaches to higher education. The 200 differences between the House and Senate versions required painstaking effort and a great deal of patience. Furthermore, the wholly extraneous issue of school busing which relates to elementary and secondary schooling (and not higher education) bogged down the discussions on this measure.

On the busing issue, it appears now that the measure will forbid use of Federal funds for further busing orders until January 1, 1974 "unless constitutionally required."

The overriding interest in resolving the critical issue of funds for higher education and for disposing of the highly emotional issue of school busing makes it appear that the bill produced by the House and Senate conferees will be passed by the Congress. Despite his disagreement with some of its provisions, the President is expected to approve the compromise measure.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

## INVOLVED STUDENT OFFERS REBUTTA'

I am writing in reply to the letter entitled, "Concerning the Referendum" in the Wednesday, May 24th issue. I found it frightening to hear that we actually have taxpayers in our district who believe that they get nothing back from their tax increases. Apparently, they feel that the tax dollars used for education are a waste of money. Maybe they really don't care about the kind of education the youth of our community receives. It seems to me that they should realize that money for education is an investment in both their and our future. Soon, WE will be the "establishment" who rules our country.

The primary concern of those who write the article seems to be for what material things they can see their tax dollars going for, and how they will directly benefit them (roads, etc.). They evaluate the importance of their tax dollars by what they get back in return. Seems a bit selfish, don't you think?

It was stated, "even our children, do they really appreciate all this? Perhaps the time too has come when they should contribute something". . . and . . . "let them help the school board maintain the school and cut down some of the cost." I have never heard of a school supported financially by the students. Did you pay teacher's salaries when your were our age? I hardly think it is even a realistic proposition, since many students are among the unemployed. Some day we will have that responsibility. Our education is preparing us to do just that. However, if by "helping the school board" you meant no vandalizing of school property, I fully agree with you.

As for concern and appreciation for what we have, I extend an invitation to all of the "taxpayers" to come and see how concerned we really

are by attending the moratorium parade and rally in Antioch on Friday evening, June 9th, or in Lindenhurst on Saturday morning, June 10th, in support of the coming Antioch High School referendum. This activity is the work of the STUDENT INVOLVEMENT COMMITTEE, organized by some of those "students who don't care" at ACHS. The Fine Arts Dept. plans to attend as a group to show the community that we care if Choir and Band are dropped.

As evidenced by the attendance at various school sponsored activities (Fine Arts, Sports, Awards Nights, etc.) it appears that the taxpayers aren't concerned enough to come and see their tax dollars being spent.

The comment was made, referring to the Board of Education, "So now how they do it is their problem." I've always been under the impression that the members of the Board are representatives of the community's taxpayers who run the school. May I also note that the Board members are volunteers who give their time and get no pay for all the hours they put in. It is not their problem, but it is the whole community's problem.

The article also said, "Perhaps a few good lessons in old fashioned arithmetic will help." That's about all the education we are going to get if the referendum is defeated. Maybe that would suit some of the "taxpayers" wishes, because it seems to be all the education they got.

In closing, I would like to say I respect you for having concern enough to voice your opinion to the community, but at least you could have signed your name.

Bill Beese  
Involved Student

## Student Letter Draws Favorable Feedback

Referendum planning at the Antioch Community High School in this, their latest attempt at passage, has relied to a great extent on student involvement.

Last week the Student Home Relations Committee, chaired by Sandi Stewart, sent letters to all school parents urging them to write their legislators on the plight of school finance. Feedback on the letter has been encouraging according to High School administrators, as a return letter proves out.

The letter, addressed to Miss Stewart, was written by a grandfather who deplored the situation of school cuts. He said that his granddaughter was "sick about not having an adequate band program." Listing it as a "part of her life," he noted, "we cannot-we must not let our educational qualities drop nor compromise a total program for all who

wish to participate."

School officials said they had hopes many parents and relatives feel this way and would, "vote for the referendum and return programs scheduled to be cut.

## GRADUATES FACE CHALLENGE

As the graduates file past the platform on Sunday to receive their diplomas, more will be rewarded than four years of mere attendance. In a sense, the 270 men and women present are being acknowledged for passing the initial test in a challenging future: gaining the basic education that will permit them to succeed.

While success is a subjective term and can be achieved in a variety of ways and life styles, the primary impetus is education. Without it, the chances of success are indeed slim.

The next great step for these inheritants of responsibility is to wisely use this education to further their own chances of contentment and so, the chances of the nation-as a whole. It may be realized through the trades or technical careers or through the college classroom, but education is fundamental to happiness and successful well-being.

Much of what they have already learned will not make them geniuses, but will serve as a solid foundation for the constant and continuous education they will face the remainder of their lives.

These men and women stand at the threshold of tomorrow. The decisions they will make in the next few years will decide the course of their young lives and eventually the course of all our lives. It is upon their shoulders that the future of the world will rest. We can only hope they choose wisely, always taking into account the general good and the general welfare.

## Senior Citizens - Apply For Homestead Exemption

THE ILLINOIS SUPREME COURT HAS RULED THAT THE \$1500 HOMESTEAD EXEMPTION FOR PERSONS 65 YEARS OF AGE OR OLDER IS VALID FOR 1972 REAL ESTATE TAXES PAYABLE IN 1973 AND THEREAFTER.

PERSONS WHO ARE ELIGIBLE FOR THIS MUST CONTINUE TO MAKE APPLICATION EVERY YEAR IN ORDER TO RECEIVE THE EXEMPTION OF \$1500 FROM THE ASSESSED VALUATION OF THEIR PROPERTY.

MANY TAXPAYERS WHO APPLIED FOR THE EXEMPTION LAST YEAR HAVE NOT SIGNED UP AGAIN THIS YEAR. ANYONE WHO HAS NOT SIGNED UP IN 1972 SHOULD DO SO IMMEDIATELY. APPLICATION MAY BE MADE AT THE ANTIOCH ASSESSOR'S OFFICE, 880 1/2 MAIN STREET, ANTIOCH. FURTHER INFORMATION MAY BE HAD BY CALLING THE ASSESSOR'S OFFICE, 395-1545.

# Chief Wells' Refuge "The Outback"

by John Gretz

It has probably been the dream of every man to have a small refuge "out back" where he could go when the pressures of the world start to push him in a corner. A place just outside the family homestead and yet light years from the lace curtains and doilies.

Jack Wells, the newly named Antioch Chief of Police has made that dream a reality and in doing so has gathered one of the most engaging collections of antiques and memorabilia to be seen anywhere.

The exterior of the building that houses the collection has remained much the same as it was 60 years ago when it was used to store dairy products, but here the resemblance ends. Inside Wells has created a true man's retreat. A sort of combination munitions magazine, trappers cabin, museum and pawn shop where

men can meet, look over the collection and swap tales that are always better in telling than in fact.

Wells began his collection, much as any boy of ten did, "except" he said, "for one thing. Some boys collected marbles or pictures, but I liked things that area people used or owned."

In fact, almost the entire collection, except for Wells' war souvenirs is made up of objects from the local area. They include everything from horses slough shoes to a pack of Lucky Strike Green; a hand-carved bust of Will Rogers and horse hair bridles.

Wells' arrowhead collection was discovered, piece by piece, on his own farmland. "They weren't what you would call extremely hard to find," he said. "After plowing a lot of them are brought to the surface and a rain will clean them off. Of course, you have

to know what you're looking for."

His gun collection, which numbers around 200 would probably rival that of any private collector. Scattered about or displayed in glass cases, you will find all sorts of weapons: from a derringer to an airborne troop's carbine. "What interests me is that they were almost all owned by local men. I got some, of course, through trading and at gun shows, but most have just been handed down from generation to generation."

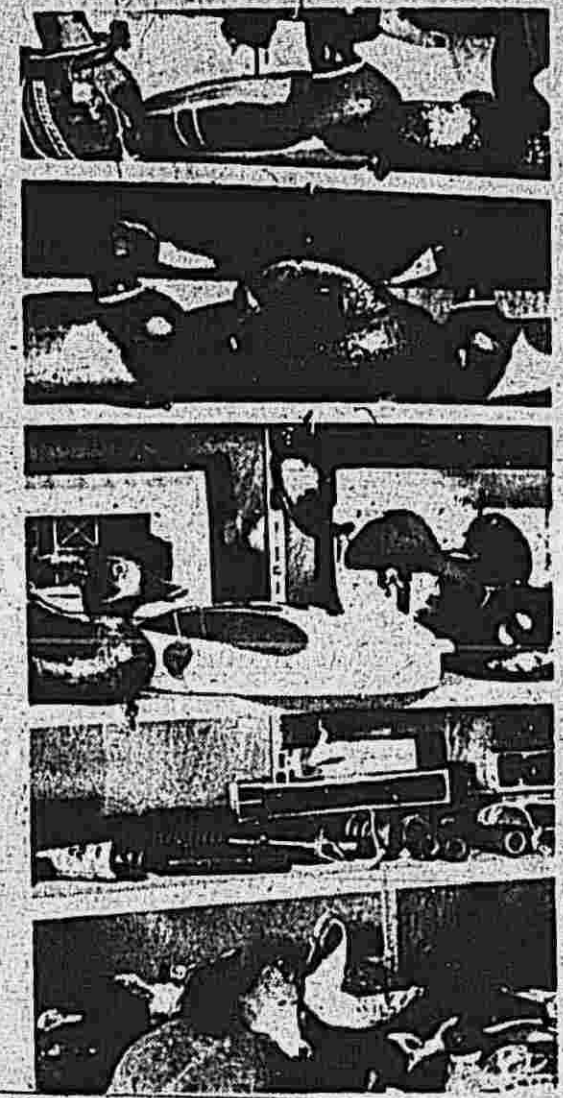

The veteran State Trooper noted that he enjoys his hobby "only when it remains a hobby and not a chore." Then, he said, "I just forget about it for a week or two until it doesn't become a burden."

Of the thousands of objects he has on exhibition or lying about the block house, he said

his favorite is a Colt .44 hand gun. "It was used during the Mexican War and there just weren't a whole lot of them made."

He noted further that every piece he has collected is connected with a memory. His arms swept wide and a broad grin appeared as he said "there's a story behind each piece here."

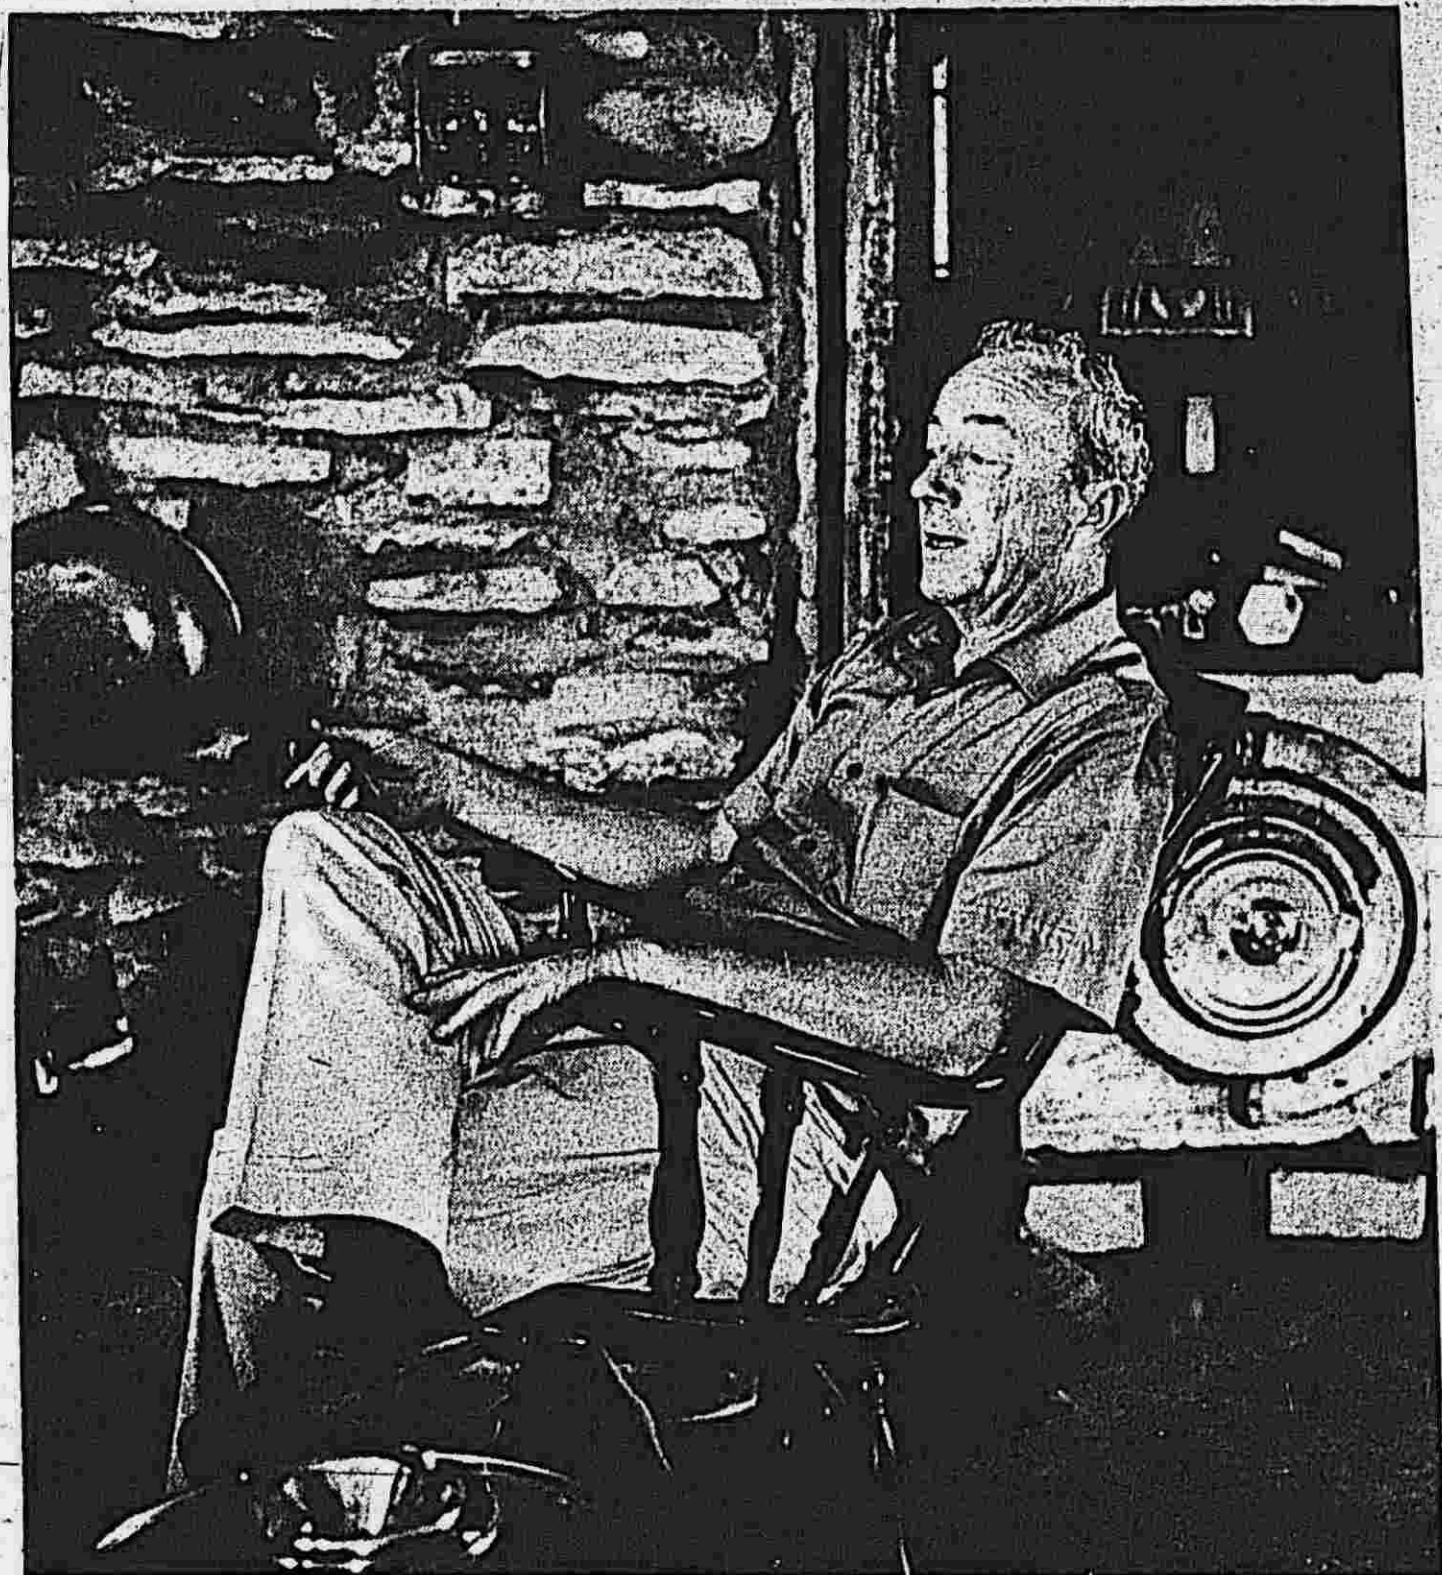

"For me, the fun of having something like this is in sharing it. Friends drop by and chat, later they bring a few of their friends and I give them a little tour." He added that each year between two and three hundred scouts and other groups visit the blockhouse and maybe learn a little about the history of Lake County.

Some of the many duck decoys and calls owned by Jack Wells are shown above. (Staff Photo)

Pictured above is one small portion of vast collection of Lake County memorabilia owned by new police chief Jack Wells. (Staff Photo)

## Grass Lake Referendum Saturday

On Saturday, June 3, 1972 the voters of the Grass Lake School, District 36 will be acting on a \$295,000 building addition to the present school facility. Also to be considered is a 30 cents increase in the building fund rate.

Major concerns expressed by William Hart, Supt. are overcrowded conditions, lack of adequate facilities, and increased costs of operation. The last building fund increase was by legislative action from .188 to the present .250 per \$100 of assessed valuation.

The proposed building will include 8 classrooms, library, Art, and Science facilities and expansion of the office area.

Supt. Hart reported that the polls will be open on Saturday, June 3, 1972 from 12 Noon to 7:00 p.m. Voting will be at the Grass Lake School on Grass Lake Road. Voters must be registered voters living in the Grass Lake School District.

I thing that's absolutely ridiculous. There are far out styles now just like there were 20 years ago. I don't like long skirts. Those hanging down to the floor are kind of silly. I don't like hot pants on older women and I don't like long skirts on younger women."

All you men out there: Surprise your wife and take her to a zoo this week.  
Peace till next week.

Gigi

by: Gigi Spittle

Since today people are so "fashion-conscious", this week's question is:

WHAT STYLES WOULD YOU LIKE TO SEE COME IN AGAIN OR GO OUT IN CLOTHING?

MRS. JAMES BOWERS, of Antioch, said, "I would like to see miniskirts go out and a decent length come in. I like the flat shoes."

MRS. CHARLES HOEKSTRA, of Antioch, said, "I would like to see the knee-length dress stay in. I don't go for the real short hot pants on some people."

MRS. ROBERT SAMMON, of Antioch, stated, "I like all fashions. I like them long, short and in-between. Kids look nice in the braless look. I don't care for wedge shoes."

MR. HOWARD SPITTLE, of Lindenhurst, answered, "I would sure like to see those collars go out in shirts for men. I have never seen one on anyone with a tie that looked neat. I don't like the bell-bottoms, but I do like the flair. I think they are very comfortable. For ladies I would like to see the dresses come down a little. I like long dresses on them. I think they make a woman look very feminine."

MRS. GEORGE LEECH, of Antioch, replied, "They say slacks are going out. I don't like that. I like the long dresses. I am older and I don't wear short dresses, but I think they are cute as the devil on the girls that wear them."

MRS. TONY ESPOSITO, of Antioch, said, "I would like the style for dresses and skirts to go to the knee. Maybe it is because of my age, I am not as young as the youngsters. I don't like the square shoes, I like the round. They are better for everybody's feet. They came out with the pointy shoes at one time, and they were terrible for your feet. They should also get rid of the synthetic soles on shoes, that is bad for the feet."

MRS. MAYNARD SCHNEIDER, of Antioch, replied, "I wear what I want to wear anyway. I don't change with the styles. I like mini-skirts on people that can wear them, but there are a lot of people who wear them that shouldn't, they are too heavy. Today anything goes."

MR. HELMER LARSEN, of Lindenhurst, stated, "I think women's styles are alright the way they are. Last week I saw a man walking down Michigan Avenue with high heels on, and

## PLANNING GROUP CANCELS MEETING

The regular monthly meeting of the Antioch Plan Commission, scheduled for May 26 was postponed.

According to Village Clerk Marilyn Sterbenz, the meeting was scratched to allow Commission members to enjoy the long Memorial Day week-end. It has been re-scheduled for June 9 at 8 p.m.

The only project currently pending before the group is a

## Shirley Edwards Honored

Shirley Edwards was honored Monday night by her bridge club at a farewell dinner party held at the Wilmot Stage Stop. Dessert and bridge were held at the home of Polly Bruhn.

Shirley, along with Ellen Tossey, Barbara Madden and

proposed apartment and commercial complex to be located at 439 Lake Street.

Mary Polley, is a charter member of the club begun 22 years ago.

Other members of the bridge club enjoying the party were Sally Hawkins, Helen Kopriva, JoAnne Larson, Belinda Dittman and Marge Solar. Fanny Yates was a special guest.

Shirley and Elmo Edwards are retiring to San Francisco in June.

## The Time Machine

### 70 YEARS AGO - MAY 29, 1902

"Zion City's hotel is in quarantine on account of a case of small pox having been discovered there."

"H. Simpson, patentee of the Copper Tube Lighting Rod, was in town Friday and rodged several buildings."

"Our public school will close this week, and there being only two graduates this year the usual public exercises at the hall will not be held."

AD:

Boys Iron Clad hose at Webb Bros.

### 50 YEARS AGO - JUNE 1, 1922

"F.W. Brown opened an ice cream and soft drink stand Saturday."

"A few relatives gave Mrs. Andrew Harrison a surprise party Friday evening in honor of her birthday."

"The grade school commencement exercises will be held at 8 P.M. Tuesday, June 6th, at the high school auditorium. The entire class of seventeen will receive diplomas."

### 35 YEARS AGO - JUNE 3, 1937

"Dedication of the new edifice of the Milburn Congregational Church will take place Sunday at two o'clock. The first church at Milburn was built of logs 97 years ago."

The high school campus was the scene of the beautiful ivy day ceremony, presented by the class of 1937. Wednesday morning at 10:30. James Herman, class president, conducted the ceremonies. The class of 51 boys and girls will graduate next Monday.

### 25 YEARS AGO - MAY 29, 1947

At a candle light service at the North Austin Lutheran Church, Chicago, Miss Elaine Doris Van Horn exchanged marriage vows with Everett J. Oftedahl.

The curtain will drop tonight on four years of high school training for 70 Antioch High students at graduation exercises. 36 grade schoolers will also receive diplomas in the high school auditorium Tuesday night.

### 10 YEARS AGO - MAY 31, 1962

"The Strang Funeral Home will celebrate its fiftieth year of business in Antioch this year."

"Sheridan Burnette will celebrate his 80th birthday on June 3 from 3 to 6 P.M. at the Antioch Fire House with an open house."

Dr. Arlo Schilling will present the annual commencement address at the Antioch High graduation, June 4. This year there will be 122 students graduating.

## June Is "Watch Out For Elderberry Wine" Month

June is "Watch out for Elderberry Wine month" because those lovable, innocent looking Brewster sisters are coming to Antioch and they have the tendency to put arsenic in the elderberry wine and then bury their victims in the cellar.

Yes, ARSENIC AND OLD LACE is coming to the PM & L Theatre stage on June 17, 23, 24, 30 and July 1. Curtain time is 8:30 p.m. at 877 Main St., Antioch. Call 395-9702 for reservations.

ARSENIC AND OLD LACE by Joseph Kesselring and directed by Ken Smouse is a mystery comedy which has undoubtedly been seen by almost everyone at sometime in their lives. It is a very

popular high school production and a must for community theatre. It's been in the movies and on T.V. But no matter how many times you see it, it always remains fresh and funny and a great vehicle for much talent.

Director Smouse says his cast is one of the best he's ever worked with. Of course he says this almost every show, but it certainly is true in this instance. The Brewster sisters are played by Shirley Jensen and Aileen Biel - both from Antioch and both masters at "straight playing" the hilarious, which makes it all the funnier.

## Along the Way with

## Annie Mae

Congratulations to all our graduates. I hear some have already had their parties even though the big event is later this week.

DONNA HARVEY received an Associate Degree in Secretarial Administration from Northern Illinois University in DeKalb. NOW starts the job hunting!

MR & MRS JOHN BRONDER added another "J" to their household on Turner Drive. JEFFREY joins his two brothers, JOE & JOHNNY and sister JANET!

If you see our firemen riding around in the fire trucks for the next few Sundays, the men are out selling tickets to their Annual Dance. Please be generous, this is the only fund raising event they hold. Remember the date - June 24 - at the Fire Station, 9 p.m. til 1 a.m.?

Hear there was a for sale sign placed on someones lawn on First Street? Are your neighbors playing practical jokes, BOB?

A group of Antioch's Firemen went camping this past weekend into Southern Wisconsin. While there, seems like a certain anxious swimmer dove too shallow and came up

with a split head! Moral of the story - don't dive, wade in!

The Interact Club will be sponsoring a dance this coming Friday, June 2 for all area teens. There will be dancing to a live band. Come out and support this dance, and maybe more can be planned. It will be held at the St. Peter's Social Center on Friday, 7:30 til 10:30 P.M. Remember, this is open to ALL young people and Rotarians.

ED PALINSKI and daughter, KATHY, spent the weekend in Park Falls, with JIM and PAT HARVEY & daughter, JODY. "The weather was great" says Jim, but the traffic coming home was bumper to bumper.

Happy birthdays this week go to ALICE YOUNG, LILLIAN HERATY, GLADYS SCHWIDER and SUE SCHAEFER on the 27th; to CORY DROSEN and SHIRLEY GUTOWSKI on the 30th - and to PAUL MAPLETHORPE on May 31; and LIZ BENES on June 2. A belated happy 21st birthday goes to CHUCK MADSEN on the 24th - can't let that special day go by -- as the special 18th birthday of BARB POLSGROVE on May 23. Hear she shared the flu with her

family on her birthday.

BILL AND JANET BROOK have an anniversary to celebrate on May 30th. Many happys you two!!!

Immediately following the graduation, students, parents and teachers will have an opportunity to stop in the high school commons to say "goodbye" to Julio. Julio Gerrardo Sanchez, Antioch's 6th foreign exchange student, will be leaving this country after a year's stay to return to his home in Costa Rica. Julio will be going to Colorado and Canada before embarking for Central America July 2, so he welcomes this chance to say "adios" to his Antioch friends at this farewell party.

Don't forget the Open House at the High School Commons at 3:00 p.m. just before graduation. This is in honor of MR ALBERT DITTMAN, a gentleman who gave many years to our school system. Stop in and say "thanks" to him.

HESTER GARLAND of St. Paul Minnesota, was a house guest of the MYRUS NELSONS' this past week. While here she attended the farewell party for the three retiring grade school teachers, MRS BARTHEL, MRS BETHKE, and MRS EDWARDS. - All of whom she had worked with. She resides in St. Paul with her daughter

SUE, and son-in-law, HARLAN HAWKINSON.

Congratulations to our JIM PORTALSKI on his promotion

to market manager at the Jewel Store in Antioch.

Well, see ya at graduation.

Annie Mae

## Project "Red Ball" Underway

The Antioch Rotary Club, in conjunction with the Village Fire Department, is beginning an ambitious project aimed at protecting the lives of local children.

Entitled "Project Red Ball," the program will distribute distinctive red circular decals to be displayed in the windows of homes where there are young children. The red ball will alert rescue personnel to the location of young children and facilitate their evacuation.

According to a national survey, young children often hide under a bed or in a closet when fire breaks out. If parents are unable to reach the room the child could be left helpless with time wasted while firemen determine their location.

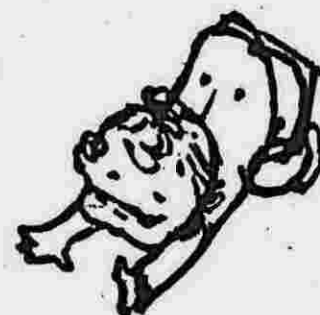

Rotarian Charles Becker observed, "if the red ball can save the life of one child a year, the project will be a total success."

In order to reach as many children as possible, Rotarians met with representatives of the

seven area grade schools and passed out over 2500 of the life saving markers.

In addition to meeting with school authorities, the Rotarians have taken their mission directly to the public. On Sunday and Monday, May 28 and 29, the Rotarians and firemen covered the entire east side of Loon Lake and Channel Lake in an effort to canvas the entire fire district.

Ken Mazzuca, Antioch Rotary President said that the men were "very well received" and covered approximately 35 to 40% of the district with their weekend activity. Mazzuca listed three additional dates, June 4, 11, and 18 as follow-up days for the volunteers to finish their project.

On May 30th, ACHS Seniors again used their outhouse. This time, as part of Senior Referendum Day, the seniors sought to show what may happen to the school if the referendum fails. Many "For Sale" signs were also evident around the circle drive. (Staff Photo)

### WEYAND-MURRIE ENGAGEMENT TOLD

Bonnie Jane Weyand, daughter of Mr. and Mrs. Leo Weyand of Erie, Pennsylvania, became engaged to Mr. Michael L. Murrie, son of Mr. and Mrs. Lloyd E. Murrie of Antioch.

Bonnie attended Mercyhurst Seminary and was graduated from Technical Memorial High School and Columbus College of Art & Design in Columbus, Ohio. She is currently employed by Goldsmith, Yamasaki, Specht & Anderson

Design, Inc., Chicago, Illinois.

Mike is a graduate of Illinois College, Jacksonville, Illinois and was a member of Sigma Pi Fraternity. He is presently employed by Blue Cross/Blue Shield in Chicago.

The couple is planning a July 8th wedding in the Holy Name Cathedral in Chicago, Illinois.

### MIKE JOHNSON TO

### WED WEST ALLIS GIRL

Mr. and Mrs. Frank Remshak of West Allis, Wisconsin, announce the engagement and forthcoming wedding of their daughter Leslie Ann, to Mr. Michael R. Johnson, son of Mr. and Mrs. Melvin L. Johnson of Rt. 4, Antioch. The wedding will take place June 10 in West Allis.

Miss Remshak attends college in Whitewater, Wisconsin where she will be a fall graduate. She will teach in West Allis.

Mr. Johnson is a tool and die maker, having attended M.I.T. in Milwaukee.

## SO-CI'E-TY

n.: pl. TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another: companionship; fellowship; connection; participation.

### New Residents Welcome To Join Newcomers' Club

The Antioch Welcome Wagon Newcomers' Club will hold its monthly meeting on Wednesday, June 7 at 8 p.m. at the Methodist Church.

This will be the first meeting since the election of new officers, therefore the start of what promises to be a year full of fun and activities. The club is most anxious to build the membership and invites all new residents to attend and meet with their neighbors. We are all newcomers, so come join and meet with us. There will be activities to please all...

Meetings are held on the first Wednesday of every month at the Methodist Church.

Don't be shy and don't come alone, contact the hospitality chairman Yvonne Dyer, 395-5412 or the coffee chairman Betty Baker 395-3650. They will be more than happy to arrange transportation and someone to bring you.

We welcome you!

### PAT JOHNSON TO MARRY

Mr. and Mrs. Melvin L. Johnson of Rt. 4, Antioch, are happy to announce the engagement and forthcoming marriage of their daughter Patricia to Mr. R. Michael Hambel, son of Mr. and Mrs. Raymond Hambel of Woodland Hills, California.

Miss Johnson is a graduate of the College of Lake County. She received her Associate

degree in 1971 and is presently employed as a legal secretary at Abbott Laboratory.

Mr. Hambel is a 1972 graduate of the Milwaukee School of Engineering majoring in Mechanical Engineering and is presently employed at the Austin Company in Des Plaines, Illinois. The wedding is set for September 9.

### SALAD LUNCHEON AT SALEM CHURCH

Hungry? Why not come to the Salad Luncheon given by the Women's Society of the Salem United Methodist Church? The luncheon will be held on Wednesday, June 7, 1972 from 11:30 a.m. to 2:00 p.m. Door prizes will be given and tickets will be available at the door. The church is located just west of Highway 83 on 85th Street in Salem, Wisconsin. Everyone is invited to come.

## Guests From Germany

Members of the United Methodist Church of Antioch will entertain Mr. and Mrs. Barthold Wittenberg and twenty-three members of the Associated Country Women of the World, June 9, 10, and 11. All come from the general area of Hildesheim, Germany.

Mrs. Wittenberg has been president of the German "Landfrauenverband" of 32,000 members for nine years. They meet monthly during the winter, and travel during the summer months. Their interests lie largely within the field of adult education, and as good will ambassadors. They provide a guest house for travelers from other parts of the world, and are planning to enlarge the facilities in the near future. Seminars are held in this house, dealing with statesmanship, literature, agriculture, common market, health, education of children, and many other fields of interest. Members of the A.C.W.W. come from many professions and occupations.

Hostesses for the group during their stay in Antioch are Mrs. John Baker, Mrs. Edward Brundige, Mrs. Emory Chandler, Mrs. Donald Cobb, Mrs. Harrington Deining, Mrs. Robert Duha Sr., Mrs. William Goetzelman, Mrs. James McLellan, Mrs. Andre Meuter, Mrs. Ralph Parker, Mrs. Warren Polley, and Mrs. Charles Watson. Mrs. Henry Palm will assist with transportation, and Mrs. Wayne Polsgrove and

members of the Women's Society of Christian Service will assist with whatever meals are served at the church.

This group is in the United States under the sponsorship of Garrett Theological Seminary, with Dr. Rockwell Smith of the Rural Sociology Department as general host. Mr. and Mrs. Wittenberg have entertained Dr. Stephen Cobb and his seminar group on their visits to Germany.

25% Discount to Senior Ladies

were received by the anniversary couple.

A delicious dinner of roast pork, dumplings and sauerkraut was really enjoyed by all.

Later on everyone gathered on the dance floor and joined hands in a huge circle and a solo dance was held for Charles and Mae Prazak. Everyone sang the old time melodies and then joined the couple in dancing. The music was superb, by the Rudy Drnek Dance Band.

Charles and Mae have lived in Loon Lake, Antioch for over 30 years.

### CEMETERY ASSOC.

### MEETS

A meeting of the Hickory Union Cemetery Association will be held Monday, June 12, 1972 at 8:00 P.M. at the home of Norman Petersen, on State Line Road one mile west of Rte 45. Members are invited.

## B-J Studio

and

## Hahn JEWELRY

Wish to extend our congratulations to you upon your engagement and also in your decision to select your all-important wedding rings from Antioch's finest jeweler, Hahn's Jewelry and Gift Shop.

The B-J Rush Photo Studio, Antioch's award-winning professional portrait studio, would like to present to you, at no cost or obligation, a beautiful glossy print to be used by your newspaper in announcing your engagement. This includes a complete studio sitting, with complete set of pre-views from which you may select your glossy print.

Best wishes in your future together.

"It's been a very happy experience here..."

"You just can't tell how a child will turn out," remarked Mrs. Shirley Edwards, fingering the red apple on her desk in her third grade room at Oakland Grade School, "One of the orneriest boys I ever had is now connected with the F.B.I."

After 22 years in the Antioch school system, 19 of which she's spent challenging the minds of local third graders, Mrs. Edwards will retire this year.

Beginning her teaching career in her hometown of Cowden in southern Illinois, Mrs. Edwards taught for five years, then in Berwyn from 1937 to 1940.

After marrying a teacher at Antioch High School, Elmo Edwards, Mrs. Edwards moved to Antioch and became a kindergarten teacher at the town school. In 1953 a position opened in the third grade and this has been her haven since, even as she moved to the Oakland Grade School when it opened in 1958.

To Mrs. Edwards, third grade is the perfect year. "Third grade is a happy age," she remarks with that twinkle that has inspired hundreds of youngsters, "They're not worried about anything and you can do everything with them."

"It's been a happy experience for me here," reminisces a woman who looks too young to retire. Mrs. Edwards enjoys having had two generations of some families in her classrooms. "Very often I call them by their mothers' and fathers' names," she says relating the enjoyment when a squirm, a freckled face or an inquisitive mind reminds her of a previous generation.

Asked about the changes she has seen through the years, the sophistication of today's youngsters is paramount. She notes that today's students are reading more and listening to television. Especially at this age, eight or nine, she says, the young minds are becoming sophisticated. "Instead of

firemen and policemen, these youngsters are interested in moonshots and walking in space."

With more opportunities to inquire, going more places, taking trips with teachers and having more material available we have developed students who are more interested and aware.

"I think people are genuinely interested in their children and education, and that it is up to the parents to seek the answers to finding money to support our schools."

In mid-June Mrs. Edwards and her husband Elmo, who retired from Antioch Community High School in 1971, will move to Los Gatos, California where they have bought a home on the peninsula south of San Francisco.

"I'm going to miss it here," she says with a wistful look, "you can't be in it this long and not miss it."

But Mrs. Edwards' career will live on through her students. She notes her anticipation of a former student, Pamela McHardy, who has gone on to become an actress. Following her career in radio and television, Mrs. Edwards has kept an eye on this former AGS student who has now appeared several times on the "Odd Couple."

Mrs. Edwards remembers that even giving a book report Pamela had everyone spellbound. "That darling little red-haired girl is still doing well at keeping everyone entertained."

As this term ends, Shirley Edwards may not receive anymore apples-for-the-teacher, but surely she will continue to receive satisfaction from those whom she has guided in her 22 years in Antioch.

## "Thinking back over the years..."

The teachers from the Antioch Grade Schools honored Mrs. Ruth Bethke, Mrs. Shirley Edwards, Mrs. Wanda Barthel and Mrs. Helen Nelson at a Coffee Hour on May 24. These women were honored for their service as they retire from the Antioch school system. (Staff Photo)

### "We try to help children develop their potential."

As one of her students told her, Mrs. Wanda Barthel looked like the lady on the Imperial margarine commercial last Friday.

But the 22-year teacher at Antioch Grade School didn't receive her crown for nibbling a piece of buttered toast. She was made "Queen for a Day" by the students who will miss her so much next year.

After beginning her teaching career near her hometown in Colfax, Illinois, Mrs. Barthel met Dr. Petty while visiting her sister here in Antioch. He suggested her coming to Antioch, "And I came, that's all there was to it."

As I sat in one of her little third-graders' desks, to which gym sneakers were attached ("that way we don't misplace them at gym time"), Mrs. Barthel explained that her second year at Antioch the school was so crowded that they moved her class out to the

old Oakland schoolhouse. "It was fun, and the town kids enjoyed riding the bus."

"I've done everything I ever wanted to in education," says the former principal of Gurnee Grade School. Mrs. Barthel was principal there for three years, and also served as Assistant County Superintendent for four years under Dr. Petty. With all of her experience, Mrs. Barthel still explains, "The thing I like best is teaching."

Mrs. Barthel, a mother of two, is confident that today's over-abundance of teachers is part of a cycle and encourages those who really want to teach that there will be a place for them. She has seen similar periods, when there were too many teachers for the positions available. "They will find a better way to support education than taxing," she explains.

Today's new educational ideas? "It's just a new name for the same game. We try to help children develop their potential." Having been in the profession for so long, Mrs.

Barthel knows students and finds that they haven't changed. "Kids are the same, they like guidelines," she says.

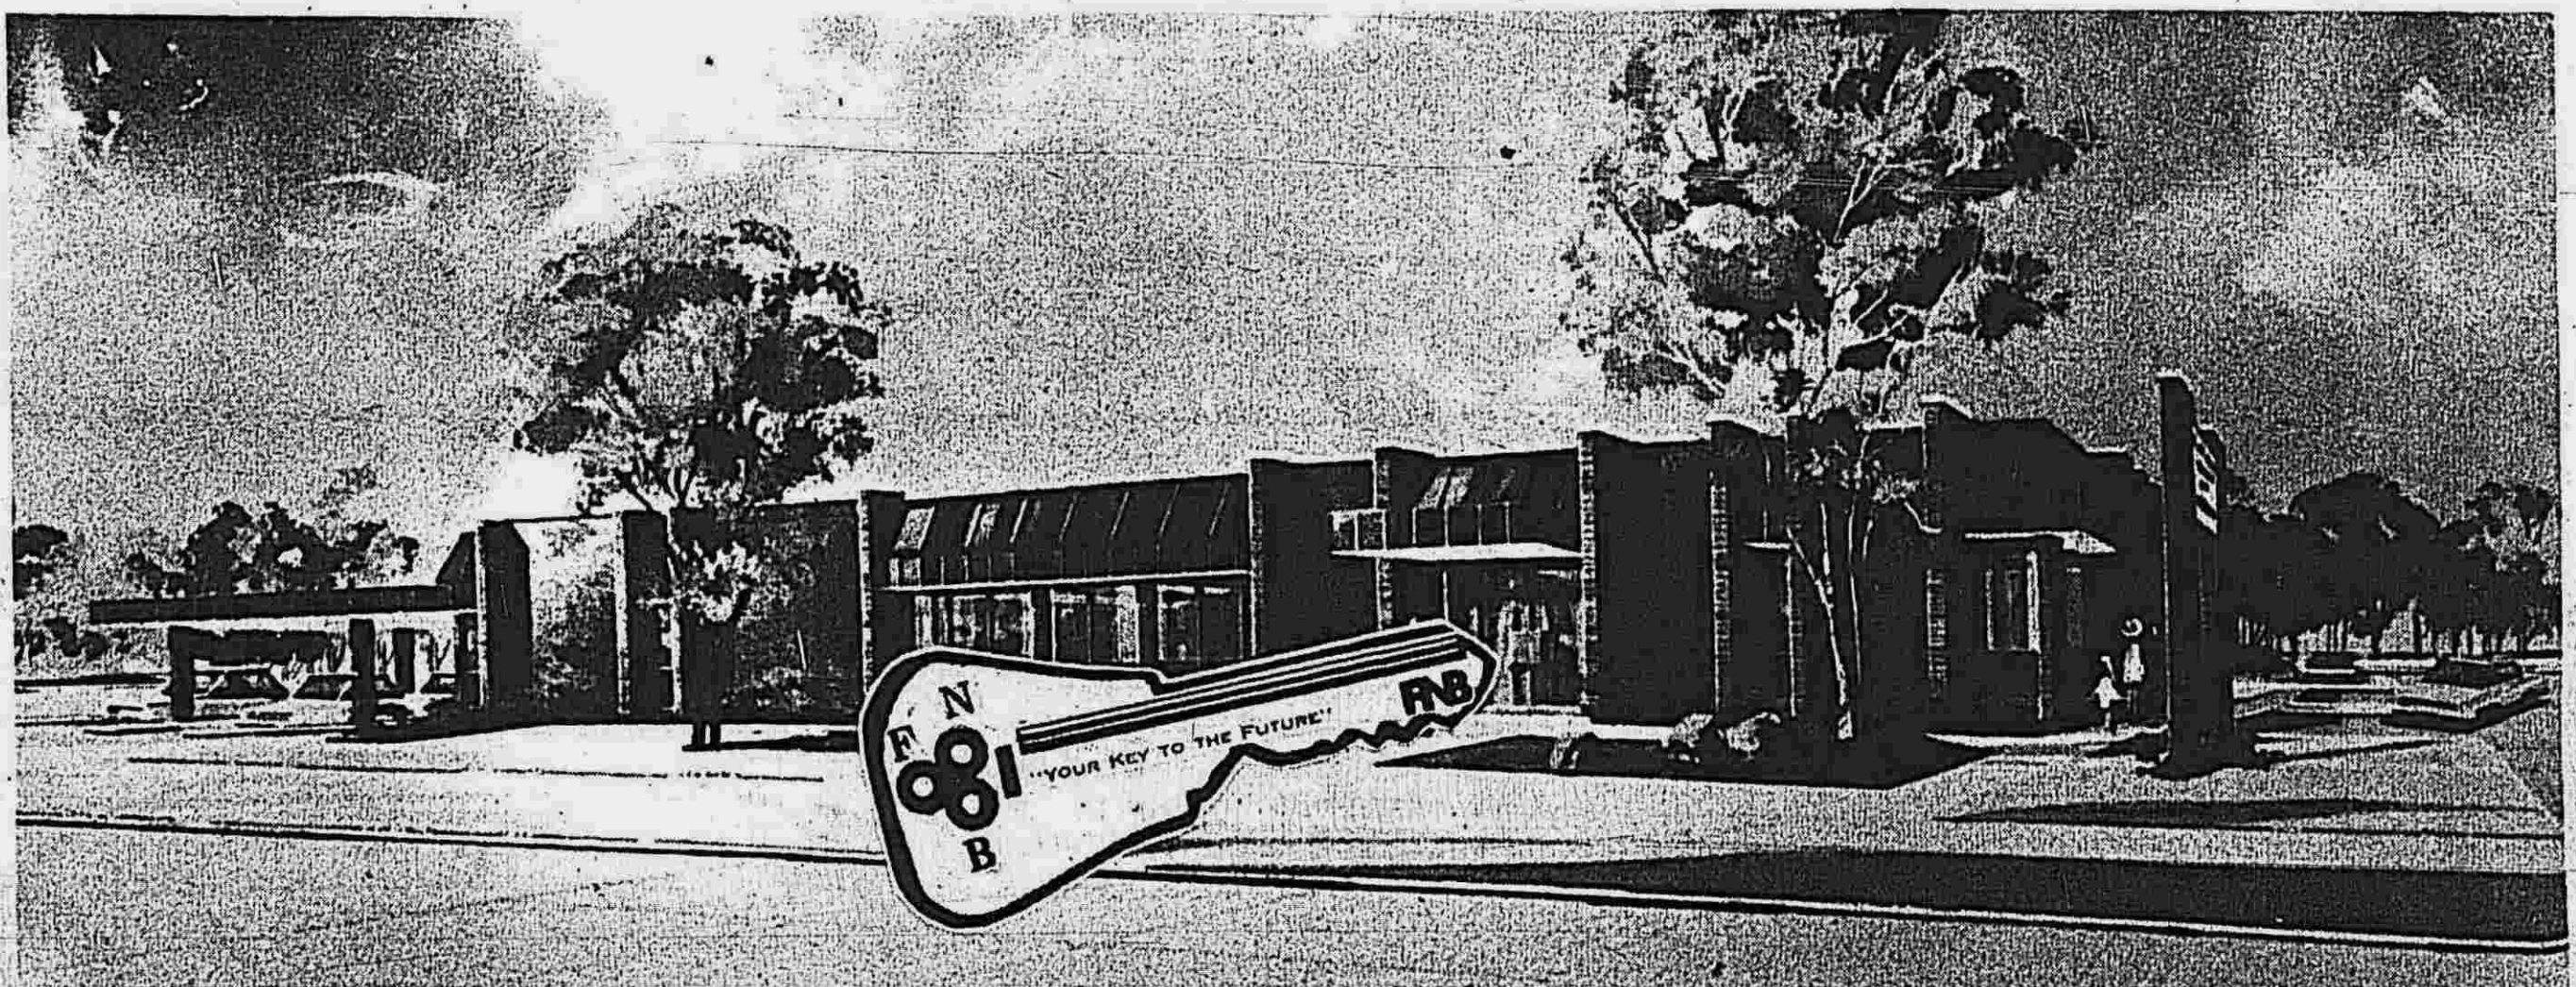

Our retiring teacher points to an example on a card she received from a student who had been scolded for eating candy in class when he didn't have enough to share with everyone. The card read, "I was mad at you when you took my candy, but you were right."

"They give you back so much," smiles Wanda Barthel, who has certainly given the love to her students which she has received in return.

"I always want to live here," says Mrs. Barthel. The family has a place up north, but Antioch is their home. Mrs. Barthel will "keep her foot in the door" of the teaching profession next year by doing volunteer tutoring in reading in a program she will help to set up this summer.

As a family of antique lovers, the Barthels also plan to open a shop for antiques and "collectables."

## Thinking back...

"Today it's more of a progressive education."

"I had the editor of your newspaper for a student," laughed Mrs. Ruth Bethke when asked about students she's encountered over the years, adding, "In fact, I've had two generations now." Mrs. Bethke taught Lori Rush in first grade several years ago.

Starting in a one-room school at West Newport, Mrs. Bethke remembers when she would drive as far as she could on a snowy winter day, then have a tractor and sled come out to take her the rest of the way to her one room of anxious youngsters of all eight grades.

"Back in those days, the teacher did the janitorial work too. There was no hot lunch program either, but once in a while we'd cook a pot of soup on a stove down in the basement so the kids could have something hot with their sandwiches."

"When I look back, I feel sorry for those kids I had the first few years," she says, explaining that she became a teacher when, in 1945, Dr. Petty was suffering the grave shortage of teachers. For \$140 a month she began a teaching career that would find her in the rural schools for eight years.

Later Mrs. Bethke taught at Lake Villa Grade School for two years, followed by two years in the third grade at Antioch Grade School.

Now, after 15 years of first-graders at Antioch, Mrs. Bethke scans her bulletin boards filled with alphabet cards and bright cut-outs of birds and flowers and explains, "I enjoy this age group; they come in knowing only how to print their names, and by the end of the year you see how much they have learned."

Never to be forgotten by this mother and teacher is the one little first-grader who brought her entire doll collection to school when the class was packing boxes to be sent to the needy overseas. "I want to give these to the little kids across the ocean," she

said. The dolls would not have begun to fit in the little boxes, but the generosity was there.

When her husband Elmer, a foreman at Ozite in Libertyville retires in three years, the Bethkes will be spending more time in a warmer climate. They now have a place in northern Wisconsin where they spend part of the summer.

Regarding education at present, Mrs. Bethke is confident that the learning process will go on. "I think some cuts can be made and it's not going to harm a good educational program."

Has teaching changed over the years? Teacher Ruth Bethke finds things remarkably the same having 26 or 28 students of the same age now as 25 years ago with the same number of students but only a few in each grade level.

"Today it's more of a progressive education, letting a student do as he pleases," but 27 years of teaching experience has not led Mrs. Bethke to a complete agreement with these new ideas. She believes in discipline. "They certainly have to listen," she says.

Now as she takes her pension and has time to enjoy some of the things she's never been able to do, Mrs. Ruth Bethke will spend many precious moments with a smile on her face, as she did as I questioned her, just "thinking back over the years."

"I've serviced many schools..."

Retiring as treasurer of the Antioch Community Consolidated District 34, Mrs. Helen Nelson has witnessed many changes in Antioch.

Appointed 23 years ago by three township trustees, one each from Hickory, Emmons, and Antioch Districts, Mrs. Nelson became treasurer of the township schools. Since that time, this practice has been done away with. Each seven man school board now appoints its own treasurer.

Mrs. Nelson succeeded George Bartlett for her post after he passed away leaving the position vacant.

"I serviced many schools in 17 years," says Mrs. Nelson.

Since her appointment many schools have consolidated. Hickory, Channel Lake, Oakland and Bean Hill school districts have consolidated into district 34. Five years ago Mrs. Nelson gave up her duties as treasurer to the remainder of the township, continuing as treasurer for Antioch Consolidated District 34.

A graduate of Hickory School and Antioch High School, Mrs. Nelson is the mother of three children, all of whom were graduated from Antioch schools. Her husband Myrus is employed by Commonwealth Edison in Waukegan.

"I have been part of eleven different building programs," says the loyal Antioch resident. Mrs. Nelson will continue as treasurer of Grass Lake District 36 after her July retirement as treasurer of the Antioch Community Consolidated District 34.

## New Deductions

Pam and Jim Burmeister of Antioch are the proud parents of a bouncing baby boy born on May 19th. James Warren tipped the scales at 8lbs. 3 1/4oz. and was 20 1/2 inches long.

Maternal grandparents are Mr. and Mrs. William Hagstrom of Antioch and paternal grandparents are Mr. and Mrs. LeRoy Burmeister of Chicago.

A little blue bundle arrived to Mr. and Mrs. John Bronder of Turner Drive in Antioch on May 23rd. Jeffrey Michael weighed 7lbs. 6 1/2oz. and was 20" long. He received a great big welcome home kiss from his brothers, Joe and Johnny and sister Janet.

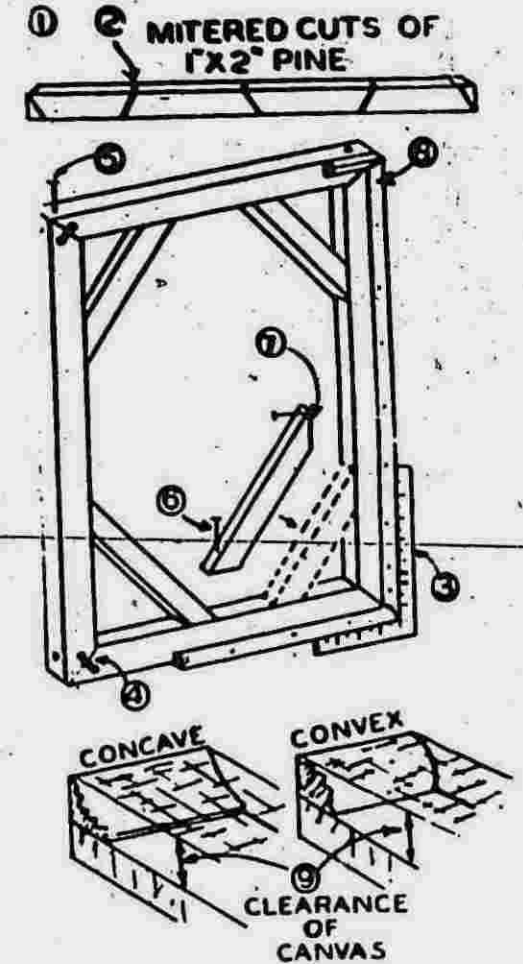

Maternal grandparents are Mr. and Mrs. Herman Schifo of Chicago. Paternal grandfather is Mr. George Bronder of Chicago.

## MAKING YOUR OWN STRETCHER FRAMES...

There are many types of supports or panels used for painting, the most widely used are textured cardboard, canvas covered cardboard, masonite, wood, and stretched canvas. Pricewise, the cardboard panels are the cheapest and the stretched canvas are so numerous that anyone who is fairly productive should use stretched canvases exclusively. Consider the live springy quality of a drum tight canvas, the light weight of the picture, the ease of framing with cheap lattice nailed right to the frame, and the assurance that large paintings will not buckle, if properly braced. Stretcher frames can be brought any standard sizes, ready-made, and are easy to assemble. But once you learn to make your own, you will find they do not warp, are stronger, thus allowing the canvas to be stretched tighter, and are really a bit cheaper. Here, then, is how to make your own frames.

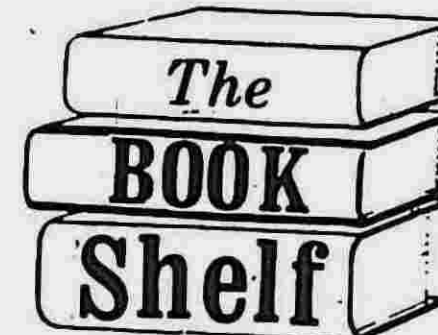

1. Use 1" X 2" pine
2. Cut up in lengths the size of the desired painting, using 45 degree mitre. Cut also 4 braces any reasonable length.
3. Glue and assemble corners using square.
4. Use corner pins to hold four corners firmly as you nail.
5. Nail as shown.
6. Tap in nails before placing braces.

7. Glue all joints with white glue
8. Cut 45 degree mitres on concave moulding to fit, then glue and nail in place with small wire nails.
9. Notice the clearance of canvas from the frame which is a necessity to keep the painting from showing a ridge on the front surface where the stretcher frame could rub if there was no clearance.

Happy Carpentry.

Next week: STRETCHING CANVAS ON THE FRAME

THINK TANKS by Paul Dickson. Outlines the work of institutes throughout the U.S. employing research teams to investigate solutions to relevant social problems.

HOW TO OVERCOME YOUR FEAR OF FLYING by Marvin L. Aronson. Examines the misgivings which people have about flying and suggests techniques and exercises to help the individual overcome his fears.

## american legion auxiliary news

The 38th annual "Pilgrimage to Normal" will take place on Sunday, June 4th, when thousands of Illinois American Legionnaires and American Legion Auxiliary members will converge on the Illinois Sailor and Soldiers' Childrens' School (ISSCS) at Normal.

Heading a busload of legionnaires and Auxiliary members to ISSCS from the 10th District, will be District Commander Roy Lundsten of Wauconda; Division Senior Vice Commander Rene Jackson, North Chicago; District President Mrs. Joseph Hogue, Waukegan; 2nd Division Acting President, Mrs. Ray Rathmann, Antioch.

District children and youth co-chairmen John Jones, North Chicago, and Mrs. Louise Thompson, Waukegan, state that "it has been the custom for many years for the Units, Posts and Districts to furnish everything in the way of food and drink for the picnic dinners served in the Cottages sponsored by their particular District. The 10th District has sponsored Harbord Cottage over 20 years, now, and presented this Cottage and the children who live there with many needed gifts washer, drier, television set, chaise lounges, billiard table, etc. It is another traditional custom to present a gift and/or gifts for each child in the Cottage, at this event."

Every child in Harbord Cottage is sponsored by some Unit in the 10th District American Legion Auxiliary, who usually give that child a gift on Pilgrimage Day, as well as remembering them on their birthdays and at Christmastime.

A new Activity-Center will be open for all to tour. It is a very spacious, air-conditioned building designed for many of the children's needs.

During a program presented by the ISSCS children at the school auditorium, the State American Legion and the Auxiliary will present their gifts to the school. The 10th District Auxiliary will be giving an electric fryer to Harbord Cottage.

Following the children's program, there will be a parade of Legion Posts and Units, vehicles, and musical groups. The drum and bugle corps will be performing during the parade and afterwards, at the various cottages.

The ISSCS children refer to this day as "Legion Day" and are always eagerly anticipating

### POST 4551 INSTALS

Sequoit Post 4551 and Auxiliary held their joint installation on Wednesday, May 24. Chester White was the installing officer for the Post and Lillian Burnette was the installing officer for the Auxiliary. Dr. Robert Bywell was installed as Commander and Shirley White as President. Refreshments were served.

### THANKS TO POPPY BUYERS

Mrs. Laura Swanson, Poppy Chairman for the Veteran's of Foreign Wars Auxiliary No. 4551 wishes to thank all those generous people who bought the buddy poppies on May 26th and 27th. All of the ladies worked very hard and the poppy drive was a big success.

their welcome guests and gifts. It is a heart-warming experience for all who attend.

Mrs. William Dowden has been the children and youth chairman of the Antioch American Legion Auxiliary for a number of years. She has participated in all children and youth events and has the responsibility of buying and sending gifts to the children the Antioch Unit has sponsored these many years.

The Antioch Unit Auxiliary will hold their meeting on June 5th at 8 P.M. at the American Legion Home. This is an important meeting as election of officers will be held along with the election of delegates and alternates to attend the district meetings and convention.

## Royal Neighbors Host District Deputy

The Royal Neighbors Olson Camp 459 met at the American Legion Hall. The flag was brought, in and all said the pledge of allegiance.

The Royal Neighbors were honored by the visit of their District Deputy Mrs. Graves and neighbor, Iva Cada of Prairie View.

Birthdays were celebrated by Mae Peterson and Evelyn Palaske.

It was reported that Val Golden is in the hospital - we hope only for a short stay.

Hostesses for the evening were Ida Kufalk, Eva Fields,

and Emily Novotny.

Cards were played and goodies were served.

Next meeting of the Royal Neighbors will be June 13th at which time our future card party will be discussed. Bea Milz will have a report.

## Women Of The Moose

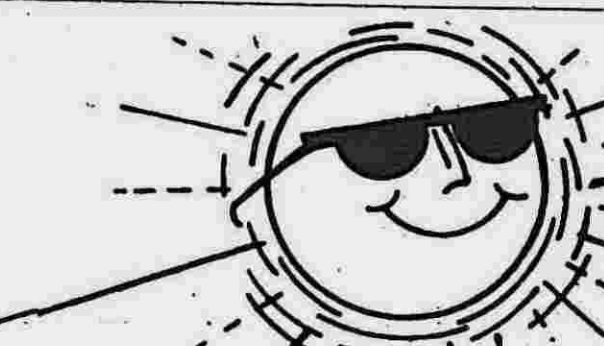

On Thursday, May 18, the Women of the Moose had an election of new officers for the coming year. Karen Bartuska was elected Senior Regent, Dorothy Laursen was elected Junior Regent, June Ballenger was elected Recorder, Stephanie Polson was elected Chaplain, and Cheryl Wise was elected Treasurer. The new

officers will take their posts on July 1.

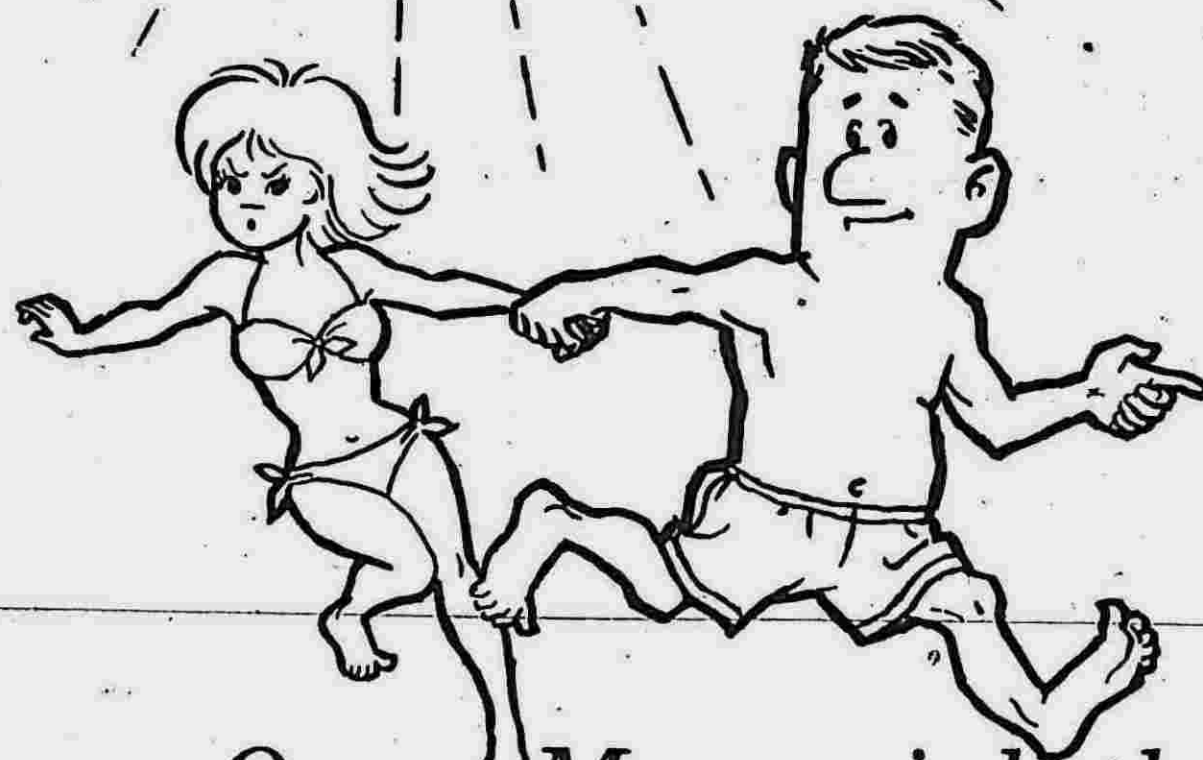

The Birthday march for May was made by Gladys Schroeder, June Ballenger, Alice Young, and Jean Wilson.

On June 6, Senior Regent Judy Page and Junior Regent Karen Bartuska will be guest Senior Regent and Junior Regent at Cicero Lodge. There will be a bus chartered to go. Any co-worker wanting to may attend. The bus will be leaving the lodge at 6 p.m.

The next meeting will be on Thursday, June 1 at 8 p.m.

## 244 Graduated From CLC

Two-hundred and forty-four  
students were featured in the  
third annual commencement  
exercises of the College of  
Lake County. The ceremony  
was held on Sunday afternoon,  
in the auditorium of West  
Campus, Waukegan High  
School.

Two-hundred and  
twenty-six Associate  
Degrees--62 Associate of  
Science Degrees, 75 Associate  
of Arts Degrees, and 89  
Associate of Applied Science  
Degrees--were awarded.  
Certificates were awarded to  
18 students who have  
completed one-year career  
programs. Also recognized  
were 11 candidates for  
certificates in dental assisting  
and 34 candidates in practical  
nursing. The dental assisting  
and practical nursing  
candidates will complete the  
requirements for their  
programs at the end of the  
1972 summer session.

The Dean's List consisted  
of 110 graduates having  
achieved a grade point average  
of 3.0 or better.

The commencement  
program included special music  
by the combined CLC Singers  
and Community Choir; a  
commencement address by Dr.  
Gene Schwilck, Vice-President

# Dining

## Andres

There are restaurants that by virtue of their decor, atmosphere or specialty features have made a name for themselves and acquired a healthy following.

Andres Steak House on Rte. 12 in Richmond is comfortable and pleasing, but is noticeably lacking of a gimmick. The facts are: Andres specializes in food, not good or acceptable food, but GREAT food. All their dishes are prepared and seasoned to your personal tastes and served by waitresses both friendly and cordial.

The chefs at Andres received their training in Germany, long known for its excellent food. Herman Herres and Herman Andres, Sr. take special pride in all the dishes carried from their kitchen.

"Surf and Turf," French fried Louisiana shrimp, Florida Red Snapper, Shrimp DeJonghe en Casserole and Roast Long Island Duckling are only a few of the entrees in which the Hermans take such pride.

Andres is well known for their steaks and also offers chicken, ribs, broiled lamb chops and prime rib. In addition, patrons are able to choose their own live Maine Lobster from a large glass enclosure.

Andres has a fine relish tray which includes aged cheddar cheese and other favorites. The cheese may also be purchased in a 16 oz. carton for your home enjoyment.

The bar at Andres can accommodate almost any order and features Heineken and Dortmund beer.

Five imported and domestic wines are also easy to select from the large wine cooler. Cabernet Sauvignon, Liebfraumilch Superior, Lancer's Crackling Rose and Pommard, a french red dinner wine are a few of the many vintage wines available.

Andres recently completed a new addition and can now accommodate private parties of up to 100 persons.

Pleasant light entertainment is also provided by the talents of Charlie Jacobson at the piano and organ.

For a fine evening of dinner, dancing and entertainment free of the usual gimmicks, give Andres a try, you'll be glad you did.

Steve & Beverly Rzyko

## It's Barbecue Time

When there's a barbecue in the wind, toss a big crisp salad of western iceberg lettuce chunks, sliced cucumbers, tomatoes and radishes. Add a dressing of anchovy paste, Worcestershire, steak sauce and red wine, and you have top-notch eating with charcoal-broiled meats anytime.

For a variety of barbecue salads, rely on the versatile salad green, western iceberg lettuce and serve it torn or shredded or as wedges or "rafts" (crosswise slices).

### SUPERB BARBECUE SALAD

- |                                |  |
|--------------------------------|--|
| 1 head western iceberg lettuce | 3 tablespoons tarragon vinegar         |
| 1 large cucumber, sliced       | 1 1/2 tablespoons Worcestershire sauce |
| 2 tomatoes, quartered          | 2 tablespoons bottled steak sauce      |
| 1 bunch radishes, sliced       | 2 tablespoons dry red wine             |
| 1 clove garlic, crushed        | Salt to taste                          |
| 1/2 cups corn oil              | 1/8 teaspoon pepper                    |
| 1/4 pound Danish Blue cheese   |  |
| 2 tablespoons lemon juice      |  |
| 2 teaspoons anchovy paste      |  |

Core, rinse and drain lettuce; chill in disposable plastic bag. Add garlic to oil. Blend cheese with remaining ingredients; discard garlic, and add oil to cheese dressing; mix well. Cut lettuce into bite-size chunks in bowl. Add cucumber, tomatoes and radishes. Toss lightly with half of the dressing just before serving. Store remaining dressing in refrigerator. Makes 6 servings.

## RAINBOW GIRLS INSTALLATION

At a special meeting of the Antioch Rainbow for Girls on May 20 in the Masonic Temple, installation of officers was held.

The Installing Officers were Robin Lindblad as Mistress of Ceremonies, Barbara Mason as Installing Officer, Toni Bechtol as Installing Marshall, Barbara Polsgrove as Installing Chaplain, Wendy Lindblad Maston as Installing Recorder, Denise DeVore as Installing Musician and Linda Borak as Treasurer.

Other officers appointed were Christy Gibson as Chaplain, Roxanne Vestal as Drill Leader, Darcy DeVore as Love, Beth McLellan as Religion, Lori Burns as Nature, Kim Evanson as Immortality, Louise Kutz as Fidelity, Sharon Torgerson as Patriotism, Carolyn Vestal as Service, Rosanne Vestal as Outer Observer, Diane Walsh as Confidential Observer, Robin Lindblad as Musician, and Colleen Devries as Choir Director.

Refreshments were held after the meeting and a great term is looked forward to by all.

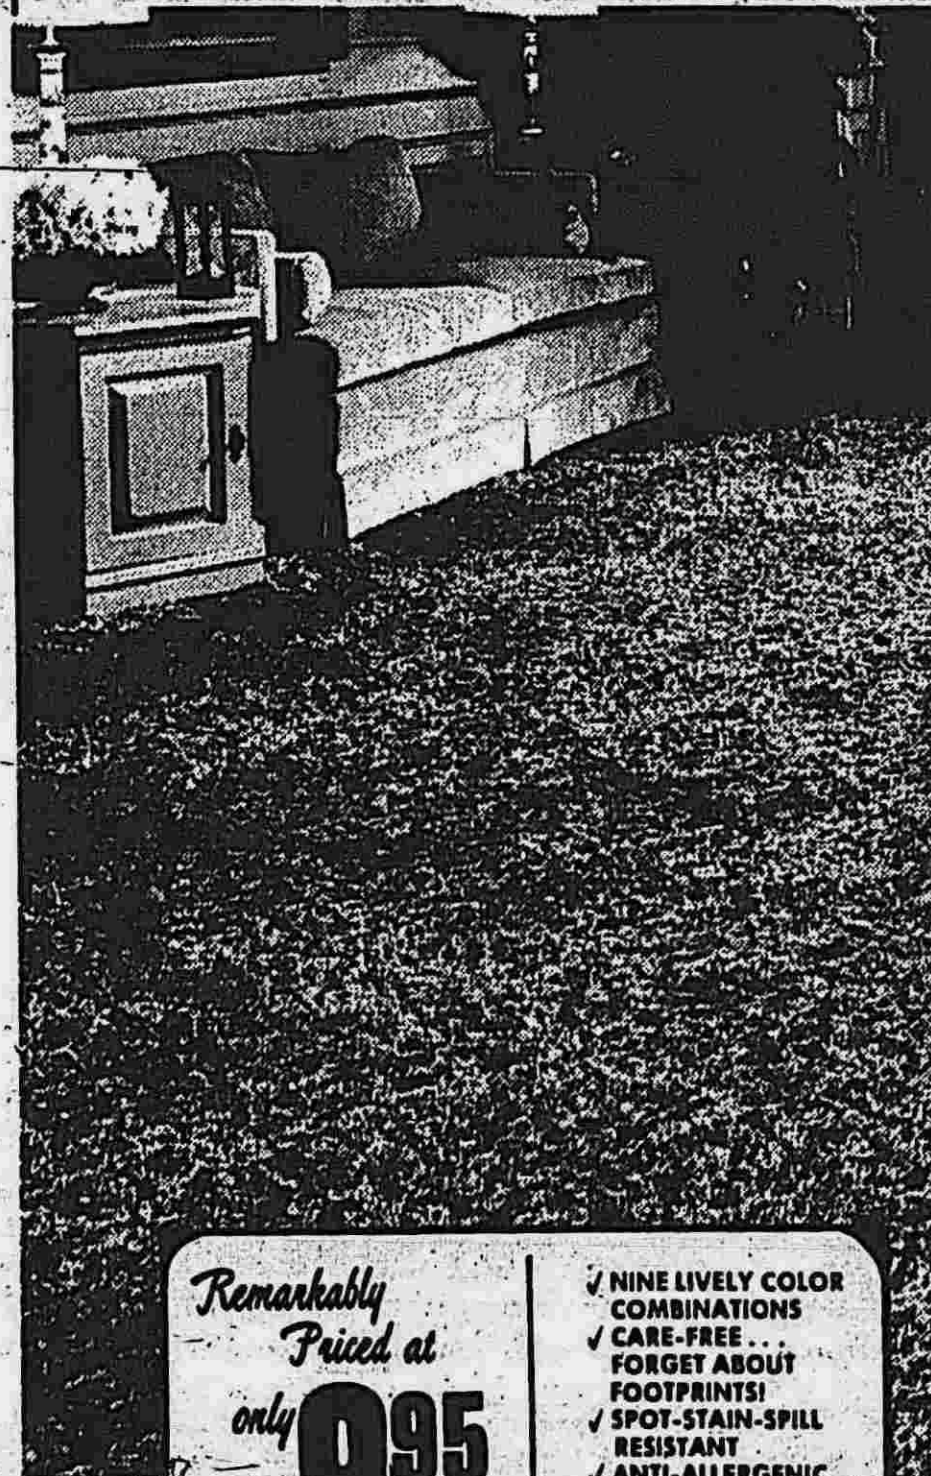

The new officers held their first meeting on Monday May 22, planning a rummage and bake sale on June 16 and 17 at the Masonic Temple.

Glen Amundsen, new president of ACHS Student Council, and Supt. Dittman accept a gift from Julio Sanchez, 1972 AFS student from Costa Rica at the honors program May 24. (Staff Photo)

## Petty Scholarship Awarded

Lynn Marek, Round Lake High School senior, was awarded the Dr. W.C. Petty Scholarship for the 1972-73 school year by CLC President, Richard Erzen. The award, which pays tuition and fees at the College of Lake County for one year, honors the commitment made to education by former Lake County School Superintendent, W.C. Petty. Miss Marek plans to enroll in data processing program at the College.

## Muether Named Training Council Chairman

John M. Muether, C.L.U., sales manager Metropolitan Life Insurance Company, Waukegan, Illinois, has been appointed chairman of a special committee of the Lake County Life Underwriters Association to spearhead the formation of local classes in The Life Underwriter Training Council's course of life and disability income insurance sales training.

The appointment was announced by Martin K. Simonian, president of the Lake County Life Underwriters. Mr. Muether has been active in the Lake County Life Insurance circles for the past ten years. He, himself, is a Life Underwriting Training Council graduate in 1966 and has earned his C.L.U. (Chartered Life Underwriter) Emblem in 1970. He has been active with the Lake County Life Underwriters being a board member, an educational and training committee chairman, and the recipient in 1969 of the Augie Helle Award, which is the highest award given by the Lake County Life Underwriters to one of their own who has shown the greatest service to the organization and professionalism in the life insurance field. Mr. Muether is a graduate of Michigan State University in 1961, and he lives with his wife, Susan, and children John J., Jean D., and Anne A. at 606 Wrightwood Terrace in Libertyville, Illinois.

The Lake County association has sponsored LUTC programs locally for many years. Headquartered in Washington D.C., LUTC was officially formed through the joint efforts of company and field organizations in 1947 as an independent, non-profit educational organization. The Council offers a two-year practical sales training program in life insurance with weekly 2½ hour classes running from October to May and a one-year course in disability income insurance with weekly sessions from October to January.

During the 1971-72 school year 26,254 students participated in all three parts of the program - throughout all 50 states and Puerto Rico.

The Antioch American Legion and the Antioch Women's Club honored the outstanding girl and boy of the class of 1972 at Antioch Community High School at the Honors Program on May 24th. Receiving the award for outstanding girl from Mrs. T. Costoff is Lynn Hall (far left). Ken Tell receives the outstanding boy award from Mr. James Ferrier (2nd from right). (Staff Photo)

Pastor Kent Schroeder of Faith Lutheran Church accepts classroom flags from Olive Hallwas and Lillian Burnette, members of Sequoit Auxiliary Veterans of Foreign Wars. The picture was taken in one of the classrooms to be completed by September. Sequoit Auxiliary will also donate an outdoor flag when construction is completed and a flag pole is erected.

## SEQUOIT SMOKE Signals

In a few days one more year at Antioch High will come to an end, the last year for over 300 Seniors. The Baccalaureate ceremonies will take place Saturday at 8:00 P.M. and then Commencement exercises will be at 4:00 P.M. Sunday in the new gym. That will be it! Sniff!!

That day also there will be receptions for Mr. Dittman and Julio Sanchez, our foreign exchange student. The reception for Mr. Dittman will be before graduation at 3:00 and the reception for Julio will be right after graduation 5:00 P.M. It will give everyone a chance to say good-bye to two very special people.

Speaking of saying good-bye the SENIORS decided to try one more time with their outhouse. It was used as part of Senior Referendum day to show the community what the school might come to if the referendum doesn't pass. Various other signs such as at least a dozen different varieties of "FOR SALE" signs were exhibited on the front lawn by Circle Drive also. This time they were allowed to stay until the end of the day, which was Tuesday by the way.

Right now about all that's going on in school are exams and yearbook signing. The yearbooks came out last Friday. All the staff's work really shows in it, as Mr. Seeman commented, "It's the best one I've seen in 16 years."

Congratulations to SHEILA WHITE who was chosen by Don Kessinger as this year's SEQUOIA QUEEN.

Someone else also deserves a lot of congratulations. In the State Track Meet this weekend, GARY MANDEHR took 4th place in the mile run. He even broke his own record for the county!!

Well, Antioch High has had a busy and a great year. I really hope next year will be as great for those who are here. Have a great summer.

See ya around

Bye, Barb

## Helpful Hints

REAL VANILLA IS derived from an orchid, "vanilla planifolia." The vanilla flavor is locked in a "bean" which develops when the beautiful flower is pollinated. This bean-like fruit undergoes a long curing process before the vanilla flavor is extracted. Most children will agree that the best use of this "exotic" flavor is in quality vanilla ice cream.

IF YOU NEED A CUP of light cream for a recipe, you can substitute 3 tablespoons of butter and 7/8 cup milk. This is for cooking only, don't try it in coffee!

IF SEPARATING EGGS SEEMS like a difficult task, just break the eggs into a small funnel. The egg whites will slip through, the yolks won't.

## AURORA COLLEGE GRADUATES HANSON

Neil Thomas Hanson, 2102 E. Old Elm Road, Lindenhurst, received a bachelor of science degree in biology from Aurora Illinois College on May 22nd. The son of Mr. and Mrs. George Hanson, he graduated from Antioch Community High School in 1967.

Commencement activities from May 6th to May 22nd marked the college's 79th annual graduation. Graduating seniors numbered 160 men and women from all areas of the

United States and several foreign countries.

Other activities included the traditional all-college banquet, May 6; Alumni Day, May 20; and Baccalaureate, May 21.

Aurora is an accredited four-year senior college of liberal arts located 40 miles west of Chicago. The co-educational college has been affiliated with the Advent Christian Church since it was founded by the denomination in 1893.

## AFC. FRANK E. HARPER

Airman First Class Frank E. Harper, son of Mr. and Mrs. Wesley L. Harper of 507 Miller Road, Lake Villa, Illinois has graduated at Sheppard AFB, Texas, from the technical training course for U.S. Air Force air cargo specialists.

Airman Harper, who was trained in special handling and storage of air freight, is being assigned to an Air Force support in Turkey.

The airman is a 1971 graduate of Antioch Community High School.

## SPEC KIM E. HANSEN

Wac Specialist Four Kim E. Hansen, daughter of Mr. and Mrs. Allan C. Hansen, Route 3, Salem, Wisconsin recently was named honor graduate of the basic leadership course at Ft. Eustis, Va.

Spec. Hansen received training in leadership, human behavior, counselling and discipline, problem solving, and communications.

Her studies were designed to develop individual Army skills and increase her ability to understand and communicate with fellow Wacs.

In placing first in the Leadership Course, Spec. Hansen scored 572 points out of a possible 600. Of the 47 graduates, 43 were men and four were wacs.

Presently an administrative assistant/stenographer with the Continental Army Command's Command Sergeant Major's Office at Ft. Monroe, Va. Spec. Hansen entered the Women's Army Corps in July 1971, completed basic training at Ft. McClellan, Ala., and was last stationed at Ft. Benjamin Harrison, Indiana.

Formerly a receptionist with St. Catherine's Hospital in Kenosha, Wisconsin, Spec. Hansen is a 1971 graduate of George N. Tremper High School.

Milton college's 1972-73 Student Officers, as selected by the student body this spring, are (left to right): Dave Toft, Lindenhurst, Illinois, President; Julia Warren, Webster Groves, Mo., Secretary; Deborah Lawson, Valparaiso, Ind., Treasurer; and Herbert Lockhart, St. Thomas, Virgin Islands, Vice-President.

## DAVE TOFT ELECTED PRESIDENT OF STUDENT SENATE

David Toft, a junior from Lindenhurst, Illinois has been selected Student Senate president at Milton College for the 1972-73 school year.

Other officers elected by the student body were: Herbert Lockhart, St. Thomas,

Virgin Islands, vice-president; Deborah Lawson, Valparaiso, Ind., secretary and Julia Warren, Webster Grove, Mo., treasurer.

Toft, an English major, is the son of Mr. and Mrs. Homer J. Toft, 1702 E. Hazelwood Drive, Lindenhurst, Illinois. At

Milton he is active in intramural sports, the college newspaper, Alpha Sigma Phi fraternity and is student assistant in the College's Information Services Office. He was the vice-president of the 1971-72 Student Senate.

## SZYMONIAK EARNS B.A.

Miss Lynn Szymoniak from Antioch was among 161 students who received Bachelor of Arts degrees from Bryn Mawr College on Monday, May 15, 1972.

President Harris L. Wofford, Jr. presided over the close of the college's 87th academic year. He awarded diplomas to the Class of 1972 and to 160 graduate students as well. Of the graduate degrees awarded, 51 were M.A.'s, 43 were Ph.D.'s and 66 were M.S.S. degrees in social work and social research.

Miss Katharine E. McBride, President Emeritus of the College, gave the commencement address. The basis of her speech, "Who decides who decides?" was that representation to governing boards of various institutions--colleges, businesses, public service organizations--must include all concerned groups--students, consumers, minorities. As a member of the Carnegie Commission for Higher Education, the former president stressed the importance of this problem during the present decade. Miss McBride was president of Bryn Mawr College from 1942 until her retirement in 1970.

Opened in 1885, Bryn Mawr College was the first women's college in the country to offer graduate instruction in all departments. Although the college's two graduate schools have been coeducational for a number of years, the College still remains the only women's undergraduate college in the country to offer an extensive graduate program. The College is located in Bryn Mawr, Pennsylvania, eleven miles west of Philadelphia.

## Fries & Crawford Candidates for Degrees

Jack Fries, Route 1, Rinear Road and Lavoid Crawford, Rte 5, Box 418, Antioch are among the 77 candidates for the Certificate Program degree awarded by the Lake Forest College Industrial Management

Institute. Fries is Manager, General Accounting-Corporate for Fansteel, Inc. and Crawford is Supervisor of Inside Sales for Fansteel, Inc.

They will receive their degrees at the Commencement ceremony held in McCormick Auditorium at 5 p.m. on Tuesday, June 6. All candidates have completed a four-year evening program on the Lake Forest College campus.

The commencement speaker will be Harry G. Beckner, President and General Manager, Jewel Food Stores, Inc. The commencement dinner will be held at the Ramada Inn following the ceremony.

Kathy Ehredt, Grant High School, Fox Lake, accepting the Interim Award for "Excellence in Mathematics" from James C. Miller, President of the International Register Company, Spring Grove. In addition to the plaque, Kathy received a \$100 savings bond. She plans on attending Luther College in Iowa this fall and will major in mathematics.

## MIDSHIPMAN

### THOMAS J. NICKERSON

Navy Midshipman Thomas J. Nickerson, son of Mrs. Zelma E. Nickerson, of 69 E. Grand Avenue, Lake Villa, Illinois was awarded the Chicago Tribune Silver Medal during Honor's Day ceremonies on the Champaign-Urbana campus of the University of Illinois.

Nickerson was cited for having achieved the second highest grade point average among the junior class midshipmen. He is presently enrolled in the College of Commerce and majoring in Administrative Science.

He is a 1969 graduate of Antioch Community High, Antioch, Illinois.

## SPECIAL EDUCATION

### SERVICES AVAILABLE

Illinois schools have been operating under a mandatory law requiring them to provide special education services for their students since July 1, 1969.

As a result of a new law, introduced by Representative Daniel Pierce of Lake County, and passed by the 77th General Assembly, Illinois Schools will now be required to extend those services to include three and four year old children.

The new law, House Bill 323, which will go into effect on July 1, 1972, changes from five years, to three years, the minimum age for which children may qualify for special education services. Public schools have established screening, referral and diagnostic services to determine eligibility for services. Only those children who it is determined need the services will be eligible.

Parents of three and four year old children, suspecting that their child has a potential learning problem, should contact their local public school district of residence to discuss their child's needs.

A Parent's Guide to special education services in Lake County, is available through the Office of the Superintendent, Educational Service Region. To obtain one, contact:

Mr. James G. Flood  
Superintendent  
Educ. Service Region, L.C.  
County Building  
Waukegan, Ill. 60085

### MOOSE NEWS

The Antioch Legion held their raffle Sunday May 21, 1972. They sold 440 books out of the 500 available books, the winners are as follows: 1st prize of the savings account went to Dave Pennel, 2nd prize of the fryer broiler went to Shirley Gehrls, and 3rd prize of the silverware went to J. Horvath, and 4th and 5th prizes of the snowmobile masks went to John Doetsch and D. Kinley.

There will be a men's style show on June 3rd in Peoria sponsored by the Purple Heart Association with the following people taking part, Fran Boxley, and Rose Marie Hadley as fashion coordinators, and Bob Bock, Ray Lassing, Bruce Bollen, Bill Whitley as fashion models.

Al and June Ballenger both have birthdays this week, Al's is June 3rd and June's is May 31st. Happy Birthday!

Two of our couples celebrated their 25th wedding anniversary this past week, Mr. & Mrs. Clay Orwell on May 24th and Lee and Jean Meire on May 27th. Happy Anniversary!!

Brother Frank Toman is now home from the hospital. Have plenty of rest and get well soon.

During the last L.O.O.M. meeting on May 24th the Charter was draped for 30 days in loving memory of Brother Leo Nissen. Our sincere sympathy is extended to his family.

During the Holiday weekend Governor John Dupre and his wife entertained guests from Chicago Lodge Greater 3.

**DON'T FORGET** - tickets are on sale for the Cubs vs the Pirates game on June 24, Saturday afternoon. The bus will leave the lodge at 11:00 a.m.

The Chicago Horticultural Society and the Committee for Braille and Large Print Signs have announced that the Turnbull Woods Nature Trail will be officially opened in the Botanic Garden, Edens Expressway between Dundee and Lake/Cook Roads, at 11 a.m. on Saturday, June 3.

This Nature Trail, lined with logs and covered with wood chips, has no guide ropes and features labels on plants, trees and shrubs in Braille as well as the conventional methods. Both signs contain identical copy. In this manner, blind persons may enjoy the plants and learn to recognize them by touch and aroma after reading the Braille descriptions.

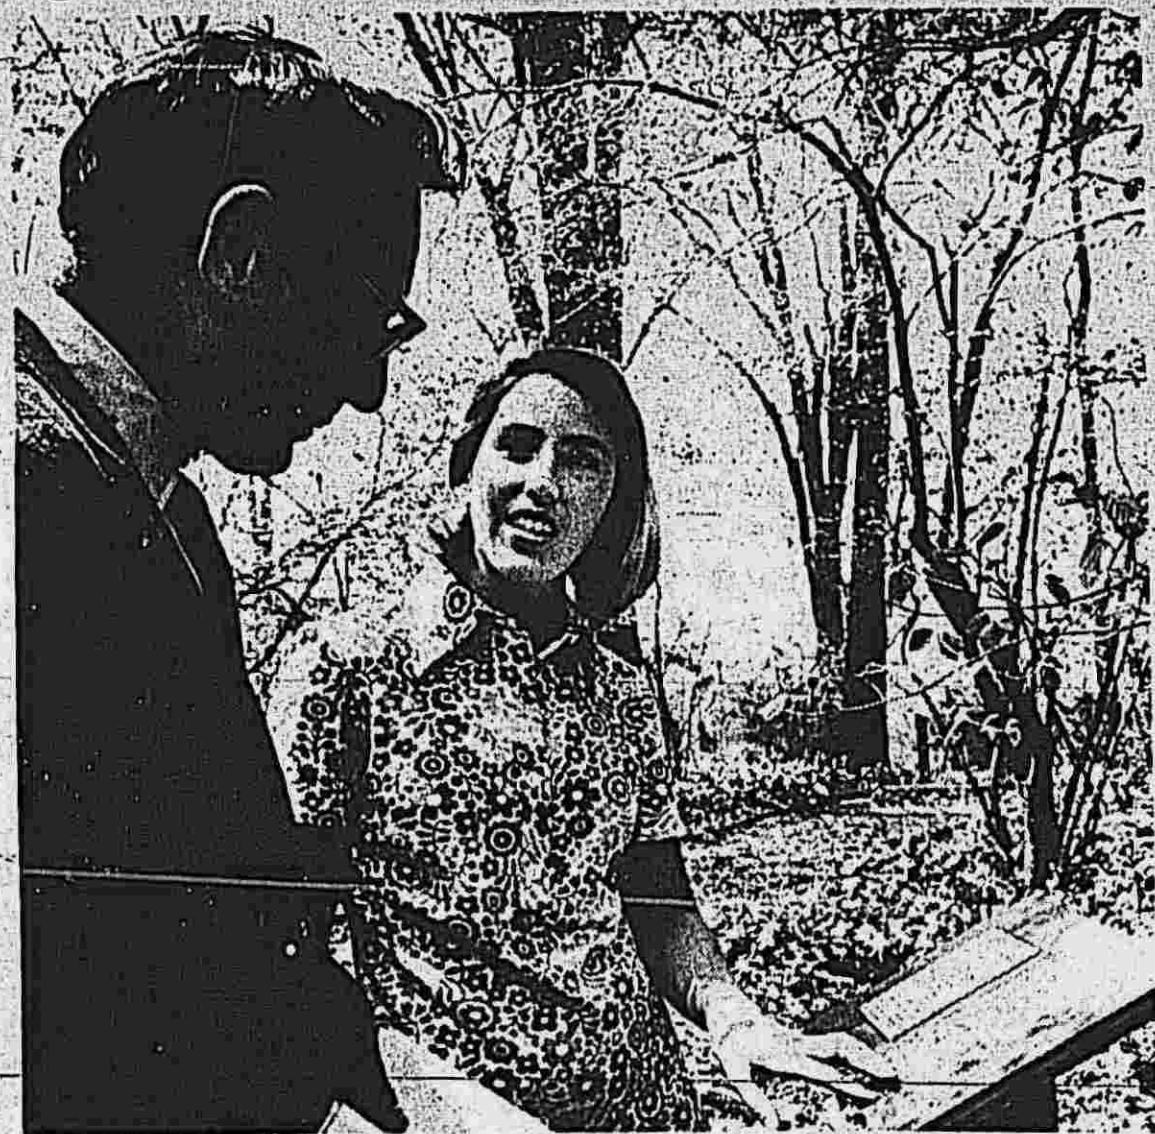

At the entrance to the Nature Trail, blind persons will have an opportunity to leaf through a booklet which describes the plants, trees and flowers in Braille, and also contains impressions in relief of things such as acorns, various leaves and tree bark. In the near future, these booklets will be made available to the

public as will large print leaflets for those visitors whose sight is less than normal.

The staff of the Botanic Garden will be continuously adding plant materials to the Nature Trails and expanding its size. It is hoped that soon the Trail will contain examples of all plants in their native state which thrive in the Northern Illinois climate.

The Committee for Braille has raised the funds necessary to start this Nature Trail. Working closely with Dr. Francis de Vos, and the staff of the Botanic Garden, they have produced the Braille sign copy themselves.

Chairman and founder of this Committee is Mrs. C. Anderson Hedberg, No. Sheridan Road. Other members are Mrs. Alexander Allison, S. Harper; Miss Roslyn Andrews, Fullerton Parkway; Mrs. James J. Burden, N. Kenneth; Mrs. Willard Fry, Winnetka; Mrs. Satish Gulati, E. 56th Street; Mrs. John W. Myers, West Estes; and Mrs. Edward U. Notz, N. State Street.

Mrs. Edward Notz of the Committee for Braille and Large Print Signs is shown here with Dr. Francis de Vos, Director of the Botanic Garden of the Chicago Horticultural Society. Dr. de Vos is explaining one of the Braille signs on the Nature Trail which will open on June 3. He is holding a copy of an embossed booklet which gives the blind a preview of the Trail and describes the plants materials they will enjoy.

## With a Stern Eye

In digging through back history for last week's column on Whither Saturday Opening, I came upon a file labeled "The Grinnell, Caper". And I was reminded again of that old bromide that Justice Delayed is Justice Denied.

Way back in 1969—on the lip of the Ice Age—there was a rumpus in Libertyville Township that led to the repudiation of long-time Supervisor, Guy Grinnell, at the April Township election. He went down to defeat at the hands of a brash and charming newcomer, Mike Graham. Graham was given no possibility of winning—Grinnell had been in office some twenty-seven years and folks would tell you he was "known and loved" throughout the Township. But by dint of a skull-cracking campaign, going door-to-door, shaking hands and talking issues, Graham beat him. It should be added that Graham has a horde of equally attractive brothers and sisters who worked with him, Kennedy-style, on the hustings. It was a lesson in political optitude.

But victory at the polls was only the beginning. Upon taking office, Graham discovered such a tangle of records—and did not at first locate the General Assistance Journal at all—that it was necessary to call in the services of a professional firm of auditors.

In the ensuing weeks, the General Assistance ledger was found on a smoldering private dump behind the County Home, and the auditors came in with a report that split an already polarized township into two hysterical halves. It appeared that no records had been kept of "cash recoveries" and no cash deposits had been made to the Township Account in several years.

General Assistance is one of the chief responsibilities of the Township Supervisor. When a family is down on its luck, abandoned or plagued with illness, they go to the Township Supervisor who has a limited budget for such emergencies. When the crisis is passed, the assisted family is expected to repay whatever amount they can. And the system works pretty well. At least it works pretty well when the Supervisor is conscientious, keeps good records, and gives appropriate receipts.

If one studies Mr. Grinnell's books however, one comes to the conclusion that either no one in Libertyville Township repaid the assistance given, or else—Or else what? Well, no entries were made in the journal to indicate repayment by cash.

In the three years since Graham was elected, his office has taken in approximately \$11,000 in cash recoveries. And yet in the final three years of Mr. Grinnell's tenure, that office deposited no cash at all.

The upshot of the investigation and audit was

that Guy Grinnell and his secretary were both indicted for theft and official misconduct. Grinnell's colleagues of the Board of Supervisors and all his old friends at the courthouse watched apprehensively as the wheels of justice ground. And how slowly they ground! When the case came up on the docket finally, States Attorney Hoogasian was understandably out of town and the hot potato was handled by Assistant Bob Smart. Mr. Smart allowed as how there was insufficient evidence to proceed with a prosecution and asked the judge to dismiss the suit. It was done. Smart resigned from the State's Attorney's Office shortly afterward and is now an Associate Circuit Court judge.

Mike Graham, who was determined to recover whatever lost monies he could on behalf of Libertyville Township, proceeded with a civil suit. And if the first one moved slowly, the civil suit has crept like lava across the months.

On February 14 of this year—Valentine's Day—the suit was concluded and Judge Cooney took the arguments under advisement. He would report his findings by March

15, he told the principles.

In the meantime, Guy Grinnell who is now well into his seventies, is reported to be in poor health and Mike Graham has become of the busiest people on the new County Board, having at the moment four assignments to

committees of various sorts. But he is a tenacious man.

And Judge Cooney is still meditating. The blindfolded lady with the scales is having a tough slog of it this year in Lake County. Will she get her answer before the November election?

Michael Cudahy of Lake Forest (right) will be general chairman for the 1972 Campaign dinner of the Lake County Republican Federation on June 16 at Illinois Beach State Park Lodge, Zion. He is shown discussing ticket strategy with Mrs. Harvey A. Metzler of Gurnee, executive secretary of the Federation, and Gordon H. Smith of Lake Forest, president. Featured speaker at the dinner will be U.S. Senator Robert J. Dole of Kansas, Republican National Chairman, who will discuss "Our Campaign Ahead."

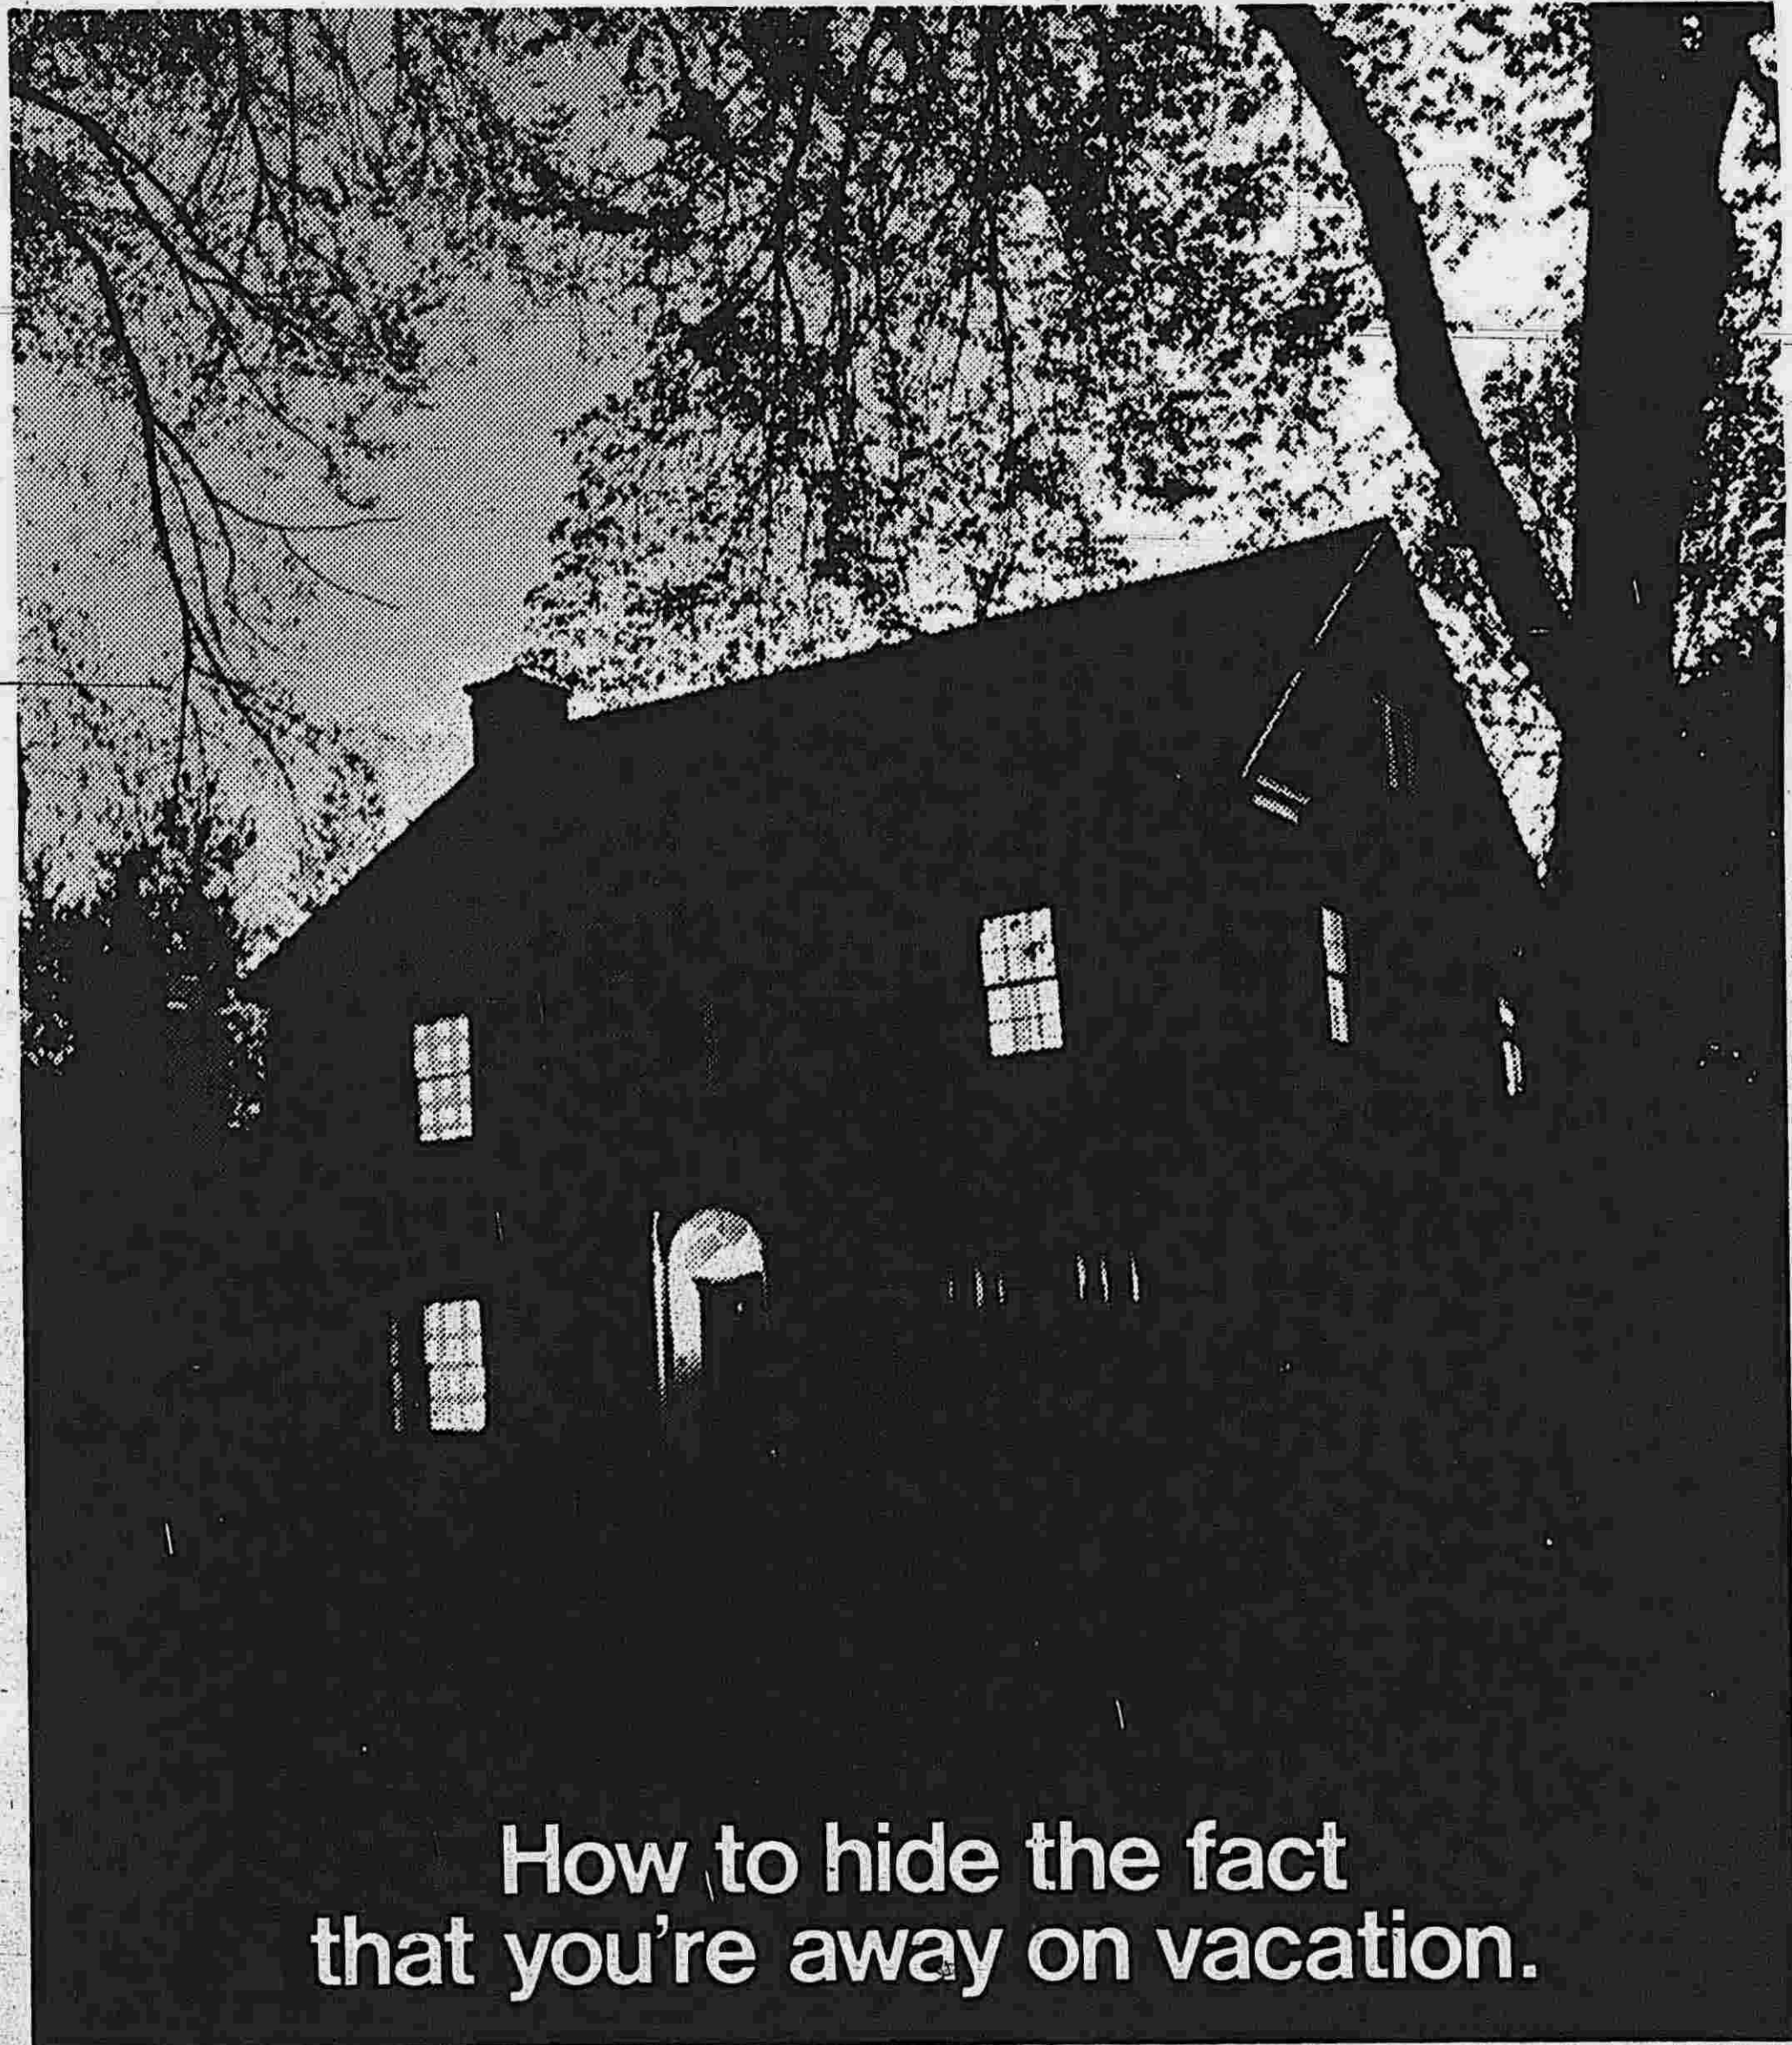

## Meet to select Running Mate

The Representative Committee for the 32nd Illinois Legislative District will meet at the home of Herbert L. "Hub" Stern, 1128 Green Bay Road, Highland Park, at 9:30 a.m. on Saturday, June 3, 1972.

At that time, the Committee will interview candidates and look into the matter of selecting a running mate for the Hon. Daniel M. Pierce by filling the vacancy on the ticket for State Representative in the 32nd District.

Anyone interested should plan to appear before the Committee at that time. Under the new Illinois Constitution, adopted in 1970, each party is required to field at least two candidates in each legislative district.

The Lake County members of the Representative Committee are John Frantonius of Highwood and Phillip B. Straus of Highland Park. McHenry County is represented on the Committee by Harry Brady.

## How to hide the fact that you're away on vacation.

You could ask your next-door neighbor to come in and switch on a lamp. But that's tough on him if you live in the country. And if you live in the city, you may not even know your neighbor. Besides, who'll turn it off?

Install an electric timer instead. Even better, install several. By now an average burglar is wise to the lamp that goes on at dusk and goes off at bedtime. Especially if the performance is confined to one room

and lasts two weeks. It will take him much longer to figure out the living room lamp and the TV or radio going on at dusk and off at 10:40. And the bathroom light switching on from 10:30 until 11:00. And the bedroom reading lamp from 11 until 11:20. And if the kitchen overhead switches on at 2 a.m. for 15 minutes, he'll never figure it out.

Added advantage: this tricky timing uses about the same amount of electricity as one steadily burning lamp.

And for extra area protection any time, an electric eye to light up your yard automatically from dusk till dawn, so you can see everyone who approaches your home. Give your neighbor a break and just let him collect the mail and read your magazines.

**MR. JOSEPH KANKA** 52 years old of Grass Lake near Antioch, passed away suddenly on Tuesday, May 23 at his home from a heart attack. He was born January 14, 1920 in Cicero, Ill., and had served in the U.S. Army from 1940 to 1954. He has lived in Antioch since 1954 and been employed by Fort Sheridan in the Building and Grounds division since 1954. He is a member of the Antioch Lions Club, Sequoit Masonic Lodge 827 A.F. & A.M. one of the founders of the Palette Masque & Lyre, and is a member of the Chicago Federation of Musicians Union Local 10. He married Katherine Smith on Oct. 3, 1943 at Libertyville.

Survivors are his wife Katherine, two daughters, Mrs. Katherine (Brian) Elliott of Wheaton, Ill., Miss Linda Kanka (at home), one brother James Kanka of Antioch and one grandchild. Funeral services were held at the Strang Funeral Home in Antioch with interment in Hillside Cemetery at Antioch.

**MR. FRANK G. REBICEK, SR.** 71 years old of Camp Lake, Wisc., passed away suddenly from a heart attack on Friday, May 19, 1972 at Kenosha Memorial Hospital. He was born on May 10, 1901 in Chicago the son of the late Frank and Mary Rebicek. He had operated a farm in the Silver Lake and Camp Lake area from 1945 until his retirement in 1968. He had married Helen Dlougy on November 27, 1924 in Chicago. He was preceded in death by one brother George. Survivors are his wife Helen Rebicek, two sons, Richard Rebicek of Camp Lake, Ernest Rebicek of Camp Lake, one daughter Mrs. Dorothy (Phillip) Wentland of Silver Lake, one brother Edward Rebicek (watersmeet, Michigan), one sister Mrs. Mary (Andrew) Saybin of Berwyn, Ill. and ten grandchildren.

Funeral services were held on Monday at the Strang Funeral Home with interment at Holy Name Cemetery in Wilmet.

**MRS. EMMA KLAUITTER** 83 years old of Fourth and Wisconsin Streets in Silver Lake, Wisc., passed away on Sunday, May 28 at Kenosha Memorial Hospital. She was born on Sept. 11, 1888 in Chicago, the daughter of Karl and Berth Kurth. She had resided in Chicago until moving to Silver Lake in 1947. Mrs. Klawitter is a fifty year member of Constellation Chapter #681 Order of the Eastern Star in Chicago, and of the Sunshine Club at Silver Lake. She had married Herman J. Klawitter on October 4, 1911 in Chicago.

Survivors include her husband Herman J. Klawitter (Silver Lake, Wis.), one daughter Mrs. Lois (Jean) DeShon of Prospect Heights, Ill., two brothers Frank Kurth of McCullom Lake, Ill. and Charles Kurth of Chicago. She was preceded in death by one son Howard F. Klawitter in World War II and by four sisters.

Funeral services were held Wednesday with Rev. Phillip O. Laurin of St. Stephen Lutheran Church officiating. Interment was held in Mt. Emblem Cemetery in Elmhurst, Ill.

## Christian Science Churches

In the Bible in Genesis 1 we read "And God saw every thing that he had made, and, behold, it was very good"

In the Lesson-Sermon entitled "God the Only Cause and Creator" this Sunday, this citation will be read from Science and Health with Key to the Scriptures by Mary Baker Eddy: "There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected"

Services at First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois begin at 11:00 a.m. They are conducted by Mrs. Evelyn Greer, First Reader, and Mrs. Mary Adams, Second Reader.

## SOCIAL SECURITY INFORMS

Acquiring a social security card should be a simple procedure. Failure to follow instructions, however, can cause delays which could result in the loss of a job opportunity or other difficulties. Applications for social security cards can be obtained from social security offices and post offices. The completed application should be mailed to a social security office for processing.

According to Allen Joy, Social Security District Manager in Waukegan, Illinois, over 202 million social security numbers have been issued and over 2,000 new numbers are established daily. The largest single problem encountered is when more than one number is assigned to the same person. Nine million multiple numbers are known to exist and hundreds of thousands more believed to exist. Since a worker's social security benefit is computed from the earnings credited to his social security number, individuals with more than one number may not receive their full benefit amount. The Social Security Administration tries to eliminate multiple numbers by carefully screening most new applications for numbers against existing records. Since it is desirable to correct work records before a claim for benefits is filed to avoid delays in payments, plans are being

made to screen all applications. Everyone who will need a social security card should apply for it several weeks ahead of time to avoid being inconvenienced by the delay.

## KEY SCHOOL CELEBRATES

### 100TH YEAR

On Sunday, May 21st, at 2 P.M. the One Hundredth Anniversary of the Francis Scott Key School will be celebrated in the school auditorium at 517 N. Parkside Avenue., Chicago.

The program will have something of interest for everyone who has ever attended, worked with or lived near the Key School.

It will consist of a historical narration, skits, and musical numbers pertaining to each decade and relating the decades to the Austin community and Key School.

The narration has been written by Mrs. Raymond Campion, a Past President and still member of the Key P.T.A.

Following the program, refreshments will be served and there will be a momento for each guest attending.

The public is cordially invited to attend. If there are any questions about this historical event, call 287-6269, 287-6069 or 379-4693.

## Binocular Closeout

only \$4.98 per pair!

Built to professional standards for those who demand uncompromising precision craftsmanship and optical superiority. You'll feel the difference as the sculptured curve of the body balances effortlessly in your hands. You'll see the difference in the brilliant true color images sharply defined throughout the field of view... distant objects and action seem so close you'll swear they are only inches away! Yet these famous make Sport Glasses are offered below factory list price in Europe! Order today — limit two pairs to each buyer. When present supplies are exhausted prices will be much higher. No CODs, please. Money back in ten days if not fully satisfied.

### Check these Custom Features:

- ★ Electronically computed optical systems of unexcelled true color brilliance, balanced and aligned to super critical standards to prevent eye strain.
- ★ All air-to-glass optical surfaces amber hard coated to prevent internal light loss.
- ★ "Squint-Pruf" front lenses block reflected glare from water, snow, sand and haze.
- ★ Shock-resistant construction — extra strength hinge and bridge guard against misalignment; high index prisms are permanently locked in.

## Shilts Is Geneva Sportman Champion

Gil Shilts, Delevan won the 20 lap May Championship Race at the Lake Geneva Raceway on Saturday night after working his way through from nearly the last starting spot. For Shilts, in a Plymouth, it was anything but a pleasure drive as he constantly fought off repeated bids from Ken Hintzpetter, Lake Geneva, for the win. Shilts also had to skillfully avoid several spinning cars in some of the fastest competition of the year as cars strained their tires and engines to make the most of the May Championship Race Honors.

Sportsman heats were won by John Fisher and Bob Peterson with fast time being turned in by Hintzpetter at 19.27 for the quarter mile oval.

The Spectator Stock car class recorded more crashes but still proved just as racey as the Sportsman or Late model group as Chris Ducey won feature honors and a heat with John Braun taking the other heat win and setting fast time in that group.

Bob Dotter, Chicago, won the late model feature ahead of Herb Artlet, Paul Craddock, Ken Baumiester and Kurt Peterson. Dotter also won a heat and the Trophy Dash with Craddock getting the other heat race win.

Starting Saturday night June 3, the Sportsman and Spectator Stock car group will be expanded to new formats

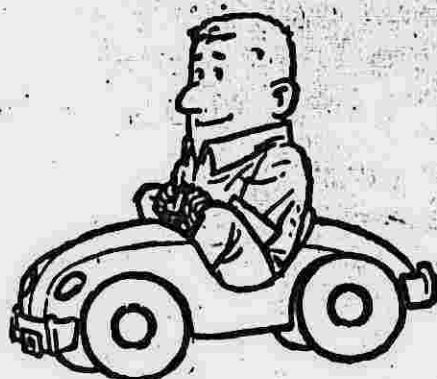

## Harris Wins 2nd Leg Of IRA Triple Crown Series

Whitey Harris won the 30 lap feature race at Lake Geneva and all but sewed up the IRA Triple crown series Championship which started on Saturday night at Wilmot. Harris took the lead from Jim Moulis on the 14th lap and pulled away to finish far ahead of Dave Bliss in second. A three car tangle in the number one turn on the 21st lap took out Joe Kristen, Moulis and McKay from the up front running.

Denny McKay set a new track record in qualifying with a lap of 16.59 seconds. The old record was held by Tom Anderson at a time of 16.64 set on July 5, 1970.

Joe Ments won the sportsman stock car feature and a heat race. IRA Champion Jack Ashenbrenner set fast time but finished only second in the feature. Sid Norton, McHenry won the other heat and finished third in the feature. Attendance was 1613 and the purse was \$1,463.00.

and added events. Both groups compete with economy tire sizes and continue to attract the major share of fan support and interest.

## Freshmen End Near Perfect Season

The 1972 Antioch High School Freshman baseball team ended their season with a record of 14 wins, 1 loss. The lone defeat was by a 7-6 margin to Round Lake with the winning run being forced in by a walk in the bottom of the seventh.

The season started with a 4-3, 9 inning conquest of Warren in a tight pitching and defensive struggle and ended in a 25-12, 6 inning affair with Warren, the little sequoits beat

Carmel, 10-9 in 8 innings; Grayslake 11-6 in 10 innings; scored 2 in the bottom of the seventh to edge Wauconda in their first meeting; and tallied 4 in the bottom of the sixth to come from a two run deficit to beat Grayslake during their second meeting.

The team batting average was .293 with Frank Pleviak .511, Larry Smith .425, Mike Perrone .372, and Scott Vasquez .348 leading the way. The team stole 155 bases

during the 15 games with Frank Pleviak and Mike Berrone being credited with 22 each. Larry Smith with 22 runs batted in and Scott Vasquez with 18 were the leaders in that department.

The pitchers for the freshman squad were Gary Klean, 4 wins, no losses with a 3.03 earned run average; Mike Witt, 3-0, 3.29 ERA; Ronnie Jackson, 5-1, 1.78 ERA; and Terry Lear, 2-0, 2.00 ERA.

Other members of the squad

were Jerry Popp, George Pierce, Don Mahar, Ron Sheedlo, Bob Bach, John Walker, Jeff Gutowski, Brian Parpan, Kevin Walpole, Richard Fisher, Gary Janssen, Jeff Meier, Gary Thompson, and Jeff Schmidt. The coach was Mr. Lee Miere and the manager was Bill Molinarolo.

## Babe Ruth Begins June 5th

June 5th is the opening game for Babe Ruth Baseball. Game time is 5:30 p.m. and games are played daily except for Wednesday and weekends at the Antioch High School field.

There are still a few openings for boys age 14 and 15.

June 10th is the date for the

Babe Ruth Car Wash. It will be held at Jim's Phillips 66 Station at Main and Orchard from 8:00 a.m. to 5:00 p.m. Cars will be hand washed by the Babe Ruth boys for \$1.25.

All persons interested in helping promote Babe Ruth Baseball by donating time, money or land call Dick Witt, 395-1089 or 395-0881.

## Little League Begins Season

Antioch's Major League Division of the Little League Baseball began their season last week.

Opening Day-1st Game. Andrews, WP - Yankees; Lischewski, LP - Orioles - Score 6-0. 2nd Game, Perlstrom, WP - Dodgers; Sheedlo, LP - Giants - Score 15-0.

May 23rd - 1st Game. D. Gutowski, WP - Tigers; Rosenbrock, LP - Cubs - Score 4-3. 2nd Game. M. Simmons WP - Cardinals; Randy Leland, LP - Pirates - Score 20-11.

May 25th - 1st Game. Dubek, WP - Dodgers; Pape, LP - Yankees - Score 10-8. 2nd Game Plechety, WP; Horton, LP - Score 10-8.

May 26th - 1st Game. Brophy, WP - Cardinals; Selek, LP - Tigers - Score 33-3. 2nd Game Scott Leland, WP; Knab, LP - Cubs - Score 7-1.

# Waukegan Speedway Has Full Weekend

WEDNESDAY MAY 31, 1972 THE ANTIOCH NEWS Page 25

Waukegan, Illinois-May 26, 1972-Modified stock car racing returned to the Waukegan Speedway Friday night for the first time in two years with a special race program. Regular IRA (Interstates Racing Association) programs will begin here on Thursday nights starting June 15.

The modified feature Friday night went to Joe Smedley of Chicago who led most of the way. Elgin's Denny McKay set a new one-lap qualifying record of :13.96 earlier in the evening. Only a midget race car has circled this track quicker.

A special match race saw Jim Cossman of Waukegan and Al Hagerty of Libertyville challenge two modifieds. Cossman took the win in this race after McKay spun out in the final lap.

A full program of Hobby Stock racing found Ted Richter of Libertyville in the feature winner's circle again as he beat Sonny Sears of North Chicago and Rip Tucker of Park City to the finish line.

With the IRA sanction now arranged, the Speedway expects over 25 modifieds for the weekly programs starting June 15. The Thursday night date is an open night for most of the modified drivers so drivers from some distance are expected.

## BROWNE TAKES 50 LAP LATE MODEL

Waukegan, Illinois-May 27, 1972-Vern Browne of Mundelein scored a close win in the 50 lap late model feature race at the Waukegan Speedway Saturday night while Chuck Bostick of Waukegan

won the 25 lap hobby contest. It was the first win of the year for each.

Browne gained the lead in the 9th lap by passing Jacques Terrault of Lake Villa. Terrault later retired with a blown head gasket. Jim Cossman of Waukegan pressed Browne for the lead until the 39th.

Schuler then caught Browne and shadowed him for the final 10 laps. For Browne, driving a 1969 Dodge Charger, it was his first feature win in two years at Waukegan. Al Gutche of Pleasant Prairie finished fourth in front of Dennis Johnson from Skokie.

Libertyville's Al Hagerty blew his engine in practice and dumped oil in the third turn making the track a little slippery for the rest of the evening.

The late model heat races were full of spills as Floyd Burdick of Racine got the worst of a four car tangle. Burdick was tapped and skidding into the pit entrance wall, flattening the concrete wall and sailing high into the air. The front of the car was demolished and one pit man suffered bruises as he scrambled to dodge the flying debris.

Schuler had a close call in the second heat as he climbed over Lou Clavey's car in the second turn. Schuler nearly rolled over as he bounced off the Deerfield driver's car, but was able to continue after wreckers separated the two.

Bostick scored the hobby win in a race stopped twice for major accidents on the homestretch. Ed Smith of Gurnee lost a wheel in the 4th lap piling up half-dozen cars and Ted Richter of Libertyville smacked the concrete wall head-on in the 19th lap. Bob Klemm of Gurnee was the second place finisher in that race and Zion's George Garret was third. Bostick also won the trophy dash.

Next Sunday night, June 4, all of the hobby cars sponsored by Lakeland Bus Company of North Chicago will meet in a special "Challenge" race. Eight of the yellow and black cars are expected to race.

## COSSMAN MAKES 100 FLAWLESS LAPS

Waukegan, Illinois-May 28, 1972-Former champion Jim Cossman of Waukegan wheeled his 1968 Chevelle for 100 flawless laps Sunday night at the Waukegan Speedway to win the Spring Championship before the second largest crowd of the year, despite threatening weather.

Cossman passed Saturday night's 50 lap winner, Vern Browne of Waukegan, in 24th lap and then avoided two spins by Rich Oertel of Palatine to

pick up the rich win. Not only was it Cossman's first win of the year, but also the first 100 lap victory of his career. Browne, who led laps nine through 23, held on to second place about 1/3 of a lap behind Cossman. Lou Clavey of Deerfield ran a steady race to take third money in front of Hert Artelt of Wildwood and Chuck Chadwick of Lake Zurich.

Gary Zobel of Mundelein led the first eight laps, but eventually blew an engine in the 31st lap, joining Tom Musgrave of Mundelein in the infield. For Musgrave it was the second destroyed engine in two nights.

Point leader Lee Schuler of Lockport managed to win the trophy dash, but a four car first lap tangle in the feature eliminated him. Dennis Johnson of Skokie lost his engine in the 97th lap while in the top five. Contenders Al Gutche of Pleasant Prairie, Wisc., Pete Brewer of Waukegan and Bob Anzinger of McHenry missed the main due to problems earlier in the evening.

Dave Evans of Mundelein won the first heat in a close finish over Oertel while Bob Boyce of Chicago won the second. Browne had the night's fastest time with a :14.78 lap.

Jerry (Red) Hacker of North Chicago survived four restarts to win the wild hobby feature in a close finish over Chuck Bostick of Waukegan and Ken Graham of Winthrop Harbor. Graham actually was leading when the white flag came out.

Were it not for several trips

through the infield, Artelt might have finished higher in the feature for late models as he nearly un-lapped himself on several occasions. The final 100

lapper of the year will be run on Sunday night July 2. The Midwest's only lady late model racer, Cheryl Arndt of Oak Creek, Wisc., finished 8th in her first 100 lap contest.

## Pace Car Win To Harris

Interstates Racing Association point leader, Whitey Harris, lengthened his lead at the Kenosha County Speedway in Wilmot Saturday night by winning the 33 lap Indy Pace Car Event. For Harris, it was the first win at Wilmot since taking both twin 50 Championship race wins on September 5, 1970. That year he was driving the Nielsen Modified. Tonight he was in the Louis Malfroid modified and started in 6th position of the 16 car field taking the lead from Don Sorce on the 10th lap. Sorce later pulled out with engine problems.

Dick Dustin wound up second leading Ron Bergsma, Carl Shultz and Aaron Solrud in the non-stop run paced by an Official Indianapolis Hurst-Olds Pace Car from the John Teresi Agency in Antioch, Illinois.

The 11 event program was not without serious concern by

the crowd numbering over 4,000. In the 15 lap semi-final feature, Joe Moulis, McHenry, flipped and after being assisted from his car was taken to Burlington Memorial Hospital with a reported concussion. Test proved no serious injury and Moulis was released on Sunday afternoon. The restarted race was won by John McHill. Jim Sullivan won the 12 lap consey and 10 lap heat race winners were, Cliff Potter, Bill Strom, Denny McKay, Ron Bergsma and Ralph Stern.

Jimmy Cmelak became the first feature winner to double in the young season as he won the 15 lap feature for the Sportsman Stock Cars. The 71 drivers shared a purse of \$4350.00.

The feature win by Harris was the first of a Tripple Crown Super Series that continued on Sunday at the Lake Geneva Raceway and returned to Wilmot on Monday night.

McCormack 1; Jerry Biehn, 1; Elmer Threlkeld, 2; Al Stieber, 3; Kevin Meier, 4; Bob Lonergan, 4; Kurt Eckberg, 1; Richard Strampp, 1; Phil Hall, 1.

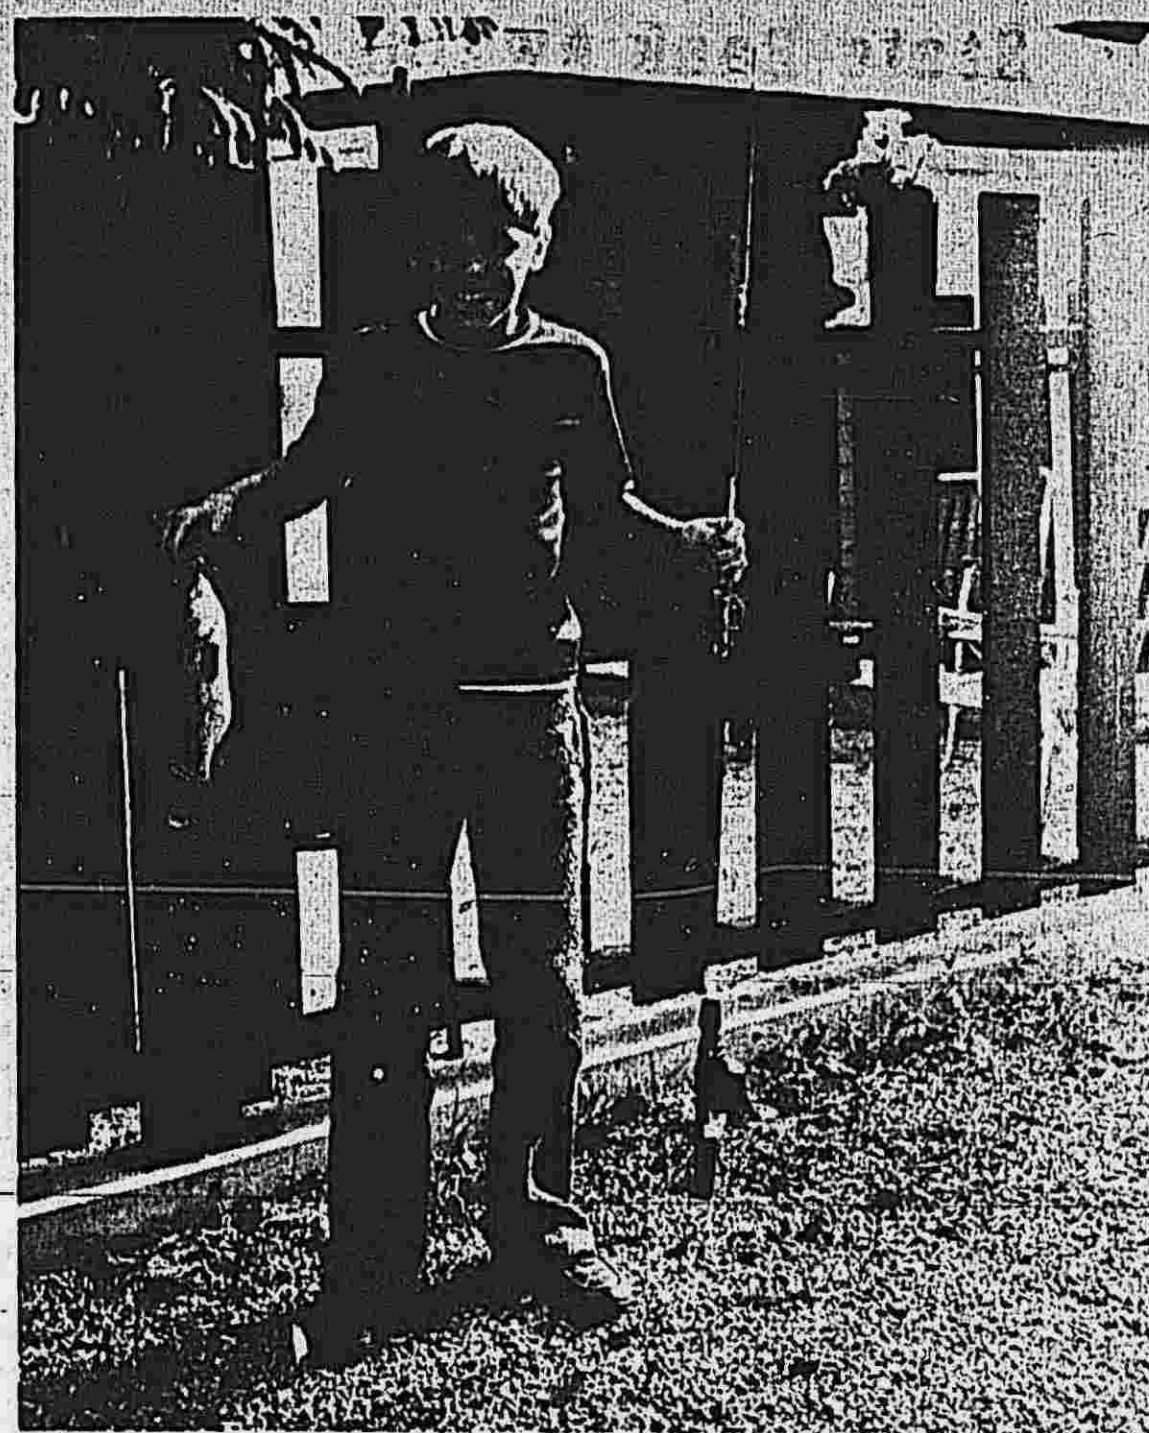

1973 Captain Elect - Russ Bain, 1972 Most Valuable Player - Russ Bain, 1972 Most Improved Player - Doug Paddock.

## Mandehr places fourth in mile

Antioch's Gary Mandehr placed fourth in the mile run at the state track and field meet held Friday, May 26th in Charleston, Illinois.

The lanky senior recorded a 4:14.1, his best time ever and also set a new All Lake County record.

The meet, held on the campus of Eastern Illinois University, was the site of numerous records and Mandehr's coach, Gerry Sandberg, said the record breaking senior ran a good race.

"Spike" Horton, 8, son of Mr. and Mrs. Herbert W. Horton, Jr., of Antioch proudly holds large mouth bass caught off Sequoit Harbor on May 25th. It was the biggest catch ever for the smiling third grader. (Staff Photo)

## Sophs End Season

The sophomore baseball season was opened battling the weather as well as the opponents with the weather the winner the first two weeks. At one time we carried seven make up games forward to a future date. All conference games were made up and we finished on schedule. Three practice games were dropped as a matter of expedience. One week, thanks to better weather, five games were played. This of course meant over work for the pitching staff which was made up of Mike Gutowski and Rick Sedar.

The sophomores won 6 and lost 8 in the conference and won 6 and lost 10 overall. Until the last game we were in contention for second place. Grant went undefeated leaving the other teams in the conference battling for lower honors.

John Meyers and Ed Weitz

tallied the best batting averages ending up with well over 300. Mike Gutowski had the most "runs batted in!" John Meyer also had most extra base hits. Rick Sedar had most runs scored. Rick Sedar and Tom Warner had fielding averages over 900 with 958 and 942 respectively. Judd Smith had most assists and Tom Warner most put outs.

Against Lake Zurich we scored 15 runs in five innings to win 15 to 1. Some other games we were shut out. The season presented some dramatic and thrilling episodes which means fun and success. The squad members are: George Davis, Dirk Kietz, Steve English, Mike Gutowski, John Jonosko, Mike Kral, John Meyer, Tom Pocrnich, Andy Proctor, John Rooker, Rick Sedar, Judd Smith, Russ Taylor, Tom Warner, Ed Weitz and Jim White.

## Lake County Rifles Elect Officers

Raymond O'Brien was elected president and John Johnson vice president of the Lake County Rifles Professional Football Team in action taken by the board of directors.

O'Brien succeeds James Wallace who resigned due to the pressure of other business, including recent election to his local school board. Johnson, commercial manager for the Waukegan area for Illinois Bell Telephone Co., replaces O'Brien as vice president.

The new president works as a projects manager for Corbetta Construction Co., Des Plaines. He has been on the board of the Rifles for four years. O'Brien said that as president he would work to continue the winning tradition of the Rifles and he would upgrade the caliber of professional football played by the team and its league.

Johnson played semi pro football with the 7th Army and holds its all time running record with a four year average of 131 yards gained per game. He has been on the board of

the Rifles for 1½ years. Both officers reside in Libertyville.

In other action, the Rifles announced the signing of four veteran linemen. These are:

John Gavurnik, a 6 ft. 5 in. all-league tackle who weighs 255 pounds. A graduate of Carthage College, this will be "Big John's" eighth season with the Rifles.

Mike Herr, an all-league offensive tackle last year, his rookie season. A graduate of Xavier university where he was voted the most valuable offensive lineman, he stands 6 ft. 3 in. tall and weighs 260 pounds. He is a very quick man despite his weight. Herr tied for the Rifles most valuable lineman award last season.

Dave Mahlheire, a high school All-American guard, played his college ball at Miami of Ohio and was nominated for the college All-American Bowl. He weighs 280 pounds and is 6 ft. 2 in. tall.

John Angel is a tough 6 ft. 4 in. 240 pound tackle who joined the club late last season and has high hopes of making the first string this year.

## State Bank Awards Dinner Athletes To Hear Ken Kraft

Monday, June 5th, at an Athletic Banquet, sponsored by the State Bank of Antioch. The affair will begin at 7:00 p.m. at Lorenz's Smart Country House. Kenneth Kraft, wrestling coach at Northwestern University, will be the featured speaker. The players, coaches, and

cheerleaders will be the guests of the State Bank. The public is invited to attend the banquet. The cost of the dinner tickets will be \$4.50, and they may be purchased from A.C.H.S. Athletic Director, Ward Lear, or at the State Bank, by June 2nd.

KEN KRAFT - WRESTLING COACH - NORTHWESTERN

Over the past decade, Northwestern wrestling has achieved consistent "top 10" status nationally. The man responsible is Ken Kraft, who was the youngest major college wrestling coach in America when he was named to the post in 1957, at the close of his senior year at Northwestern.

In eight of the past nine seasons, Kraft's teams have finished in the Big Ten's first division. His Wildcats had a 9-2 dual meet record last winter for the highest winning percentage in school history. Their cumulative record for the past four seasons is 39-16, with all but one of those losses being at the hands of teams ranked among the nation's top 10.

On a par with his coaching accomplishments have been Kraft's contributions to wrestling through related activities. He was team leader for the United States team in 1971 World Meet competition. Ken is co-founder of the Midlands Wrestling Championships, the most prominent open meet in the nation, and a founder of the Mayor Daley Wrestling Club of Chicago. He is a member of the NCAA Wrestling Rules Committee and the U.S. Olympic Committee. He is

international freestyle chairman of the U.S. Wrestling Federation, whose first annual national championship meet was held at Northwestern in 1969. His achievements have earned his election to the Helms Foundation Wrestling Hall of Fame.

Kraft also serves as guest wrestling commentator for the ABC Wide World of Sports TV productions, has been special consultant on two wrestling instructional films and has been speaker at numerous wrestling clinics throughout the nation. He was on the coaching staff of the 1969 East All Star squad, and in 1970 was tournament manager for the NCAA championships at Evanston.

Ken was the first Northwestern wrestler to lead the team in scoring three straight years, going undefeated as Big Ten 167 pound champion as a senior. In 1960, he guided his brother, Art, to the NCAA title at 157 pounds.

A native of Galt, Illinois, Kraft's wrestling career began at Sterling High School.

Members of the Conference Championship A.C.H.S. Wrestling Team and Track Team, the coaches and cheerleaders, will be honored

## JOHN GRETZ

Third base was first called the "hot corner" in 1880!

### 1972 N.W.S.C. ALL CONFERENCE BASEBALL

**Lake Forest:** Henry Robinson, 3rd Base.

**Warren:** \*Pete Goraline, Pitcher & Outfielder; Mat McCann, Catcher; Bill Whipple, Outfielder; Doug Justice, Pitcher.

\*Indicates unanimous selection.

## Sequoits win make-up 5-3

On Monday, May 22nd Fred Popp threw a one-hitter and added a solo home run as the Sequoits beat Round Lake 5-3 in a game rescheduled from May 2nd.

The junior left hander went the route allowing only one hit in gaining his fourth victory, tops for the staff. He kept the Panthers off stride during the

game using a combination of fast balls and change-ups.

Antioch pulled ahead in the bottom of the sixth when they exploded with four runs. The big hit of the inning came off the bat of first baseman Greg Crutchfield. He poked a bases loaded triple and later scored on an overthrow.
